PROXY STATEMENT

GENERAL INFORMATION

These proxy materials are furnished in connection with the solicitation by the Board of Directors of Cross Country Healthcare, Inc. ("Cross Country," "the Company," "our," "we," or "us"), a Delaware corporation, of proxies to be voted at our 2004 Annual Meeting of Stockholders (the "Annual Meeting") or at any adjournment or postponement thereof.

You are invited to attend our Annual Meeting on May 11, 2004, beginning at 9:00 a.m. Eastern Daylight Time at the offices of Proskauer Rose LLP at 1585 Broadway, New York, New York 10036-8299. This Proxy Statement, form of proxy and voting instructions are being mailed to our stockholders on or about April 12, 2004.

Stockholders Entitled to Vote. Persons holding shares of Cross Country's common stock, par value \$.0001 per share (the "Common Stock"), at the close of business on March 15, 2004, the record date for the Annual Meeting, are entitled to receive notice of and to vote their shares at the Annual Meeting. As of that date, there were 31,978,121 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

Proxies. Your vote is important. Stockholders of record may vote their proxies by marking the appropriate boxes on the enclosed proxy card and by signing, dating and returning the card in the enclosed envelope. You may revoke your proxy and reclaim your right to vote up to and including the day of the Annual Meeting by giving written notice of revocation to the Inspectors of Election, timely delivering a valid, later-dated proxy or voting by ballot at the Annual Meeting.

Vote at the Annual Meeting. Your mail-in vote will not limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign and return your proxy card but do not give voting instructions, the shares represented by the proxy will be voted by the Proxy Committee as recommended by the Board of Directors.

The Proxy Committee consists of Joseph A. Boshart and Thomas C. Dircks. Proxy cards, unless otherwise indicated by the stockholder, confer upon the Proxy Committee discretionary authority to vote all shares of stock represented by the proxies on any matter which may be properly presented for action at the Annual Meeting even if not covered herein. If any of the nominees for director named in Proposal I—Election of Directors should be unavailable for election, the proxies will be voted for the election of such other person as may be recommended by the Board of Directors in place of such nominee. The Board of Directors is not aware of any matter for action by the stockholders at the Annual Meeting other than the matters described in the Notice.

Quorum. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding entitled to vote at the Annual Meeting is required to constitute a quorum.

Required Vote. A plurality of the votes of holders of shares represented at the Annual Meeting, in person or by proxy and entitled to vote is required for the election of directors. The affirmative vote of holders of a majority of shares represented at the Annual Meeting, in person or by proxy and entitled

to vote is required for the ratification of the Board's selection of Ernst & Young LLP as the Company's independent accountants for the fiscal year ending December 31, 2004. Abstentions have the same effect as a vote against any proposal. Broker non-votes are deemed not entitled to vote and are not counted as votes for or against any proposal.

Proxy Solicitation. The Company will bear the cost of solicitation, including the preparation, assembly, printing and mailing of the proxy materials. The Company expects to engage Georgeson Shareholder Communications, Inc. to act as proxy solicitor in connection with the Annual Meeting.

Stockholder Communications. The Board of Directors has adopted a process by which stockholders may communicate with our directors. Any stockholder wishing to do so may call our toll-free phone number at 800-354-7197 or send an e-mail to governance@crosscountry.com. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of our Common Stock by each person who is known by us to be the beneficial owner of more than 5% of our Common Stock, our Chief Executive Officer and the four most highly compensated persons (other than the CEO) who were serving as executive officers at December 31, 2003 (the "Named Executive Officers"), each of our directors, and all directors and executive officers as a group. The percentages in the last column are based on 31,978,121 shares of Common Stock outstanding on March 15, 2004. For purposes of this table, beneficial

ownership is determined in accordance with federal securities laws and regulations. Persons shown in the table disclaim beneficial ownership of all securities not held by such persons directly and inclusion in the table of shares not owned directly by such persons does not constitute an admission that such shares are beneficially owned by the director or

PROPOSAL I

ELECTION OF DIRECTORS

The Board of Directors currently consists of nine members. All of the directors currently serving on the Board of Directors have been nominated by the Nominating Committee of the Board of Directors for re-election to one year terms at the Annual Meeting. Each nominee elected will hold office until the Annual Meeting of Stockholders to be held in 2005 and until a successor has been duly elected and qualified, unless prior to such meeting a director shall resign, or his or her directorship shall become vacant due to his or her death or removal.

Shares represented by proxies that are returned properly signed will be voted FOR the nominees unless the stockholder indicates on the proxy that authority to vote the shares is withheld for one or more or for all of the nominees listed. A proxy cannot be voted for a greater number of persons than the nine nominees named below. Directors are elected by a plurality of the votes cast. Shares not voted, whether by withholding or broker non-vote, have no effect on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a proportionately larger number of votes.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, including the Company's internal controls, the quality of its financial reporting, and the independence and performance of the Company's independent public accountants. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the proxy statement for the Company's 2002 Annual Meeting of Stockholders.

Management has the primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent accountants audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the consolidated financial position, results of operations and cash flows of the Company and its subsidiaries in conformity with generally accepted accounting principles, and discuss with us any issues they believe should be raised with us.

The Audit Committee reviewed the Company's unaudited financial statements for each calendar quarter of 2003 as well as the Company's audited financial statements for the 2003 fiscal year and reviewed and discussed the financial statements with management and Ernst & Young LLP ("E&Y"), the Company's independent accountants. Management has represented to us that the financial statements were prepared in accordance with generally accepted accounting principles.

We have received from E&Y the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with E&Y their independence from the Company and its management. The Audit Committee also discussed with E&Y any

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS**

The members of the Compensation Committee were Karen H. Bechtel and Thomas C. Dircks through March 2004. The Company's executive compensation program is focused on shareholder value, the overall performance of the Company, success of the Company as impacted by an executive's performance and the performance of an individual executive. Each action of the Compensation Committee during the year ended December 31, 2003 was taken at a meeting of such Committee or was adopted pursuant to an action by written consent in lieu of a meeting, pursuant to the General Corporation Law of the State of Delaware.

The Compensation Committee's objective is to provide competitive levels of compensation to the Company's executive officers that are integrated with the Company's long-term performance goals, reward above-average corporate performance, recognize individual initiative and achievements and assist the Company in attracting and retaining qualified executives. The compensation policies and programs utilized by the Compensation Committee have been reviewed with independent compensation consultants and endorsed by the Board of Directors and generally consist of the following:

- provide executive officer total compensation in relation to Company performance;
- provide a compensation program competitive with that received by executives of comparable companies in the healthcare staffing industry in order to attract, motivate, and retain qualified personnel;
- provide a management tool for focusing and directing the energies of key executives toward achieving individual and corporate objectives; and
- provide long-term incentive compensation in the form of restricted stock and stock option awards to link individual success to that of the Company.

The Company's executive compensation consists of three key components: base salary, annual incentive compensation in the form of cash bonuses, stock options and restricted stock grants, each of which is intended to complement the others and, collectively, satisfy the Company's compensation objectives. The Compensation Committee's policies with respect to each of the three components are discussed below.

Base Salary. Each fiscal year the Compensation Committee, along with the Chief Executive Officer, reviews and approves the annual salaries for the Company's executive officers (other than the CEO). Many factors are included in determining base salaries, such as the responsibilities borne by the executive officer, the scope of the position, length of service with the Company and corporate and individual performance.

Cash Bonuses. The Compensation Committee provides annual incentives to the Company's executive officers in the form of cash bonuses. In 2003, these bonuses were given pursuant to our bonus plan. Under our bonus plan, 70% of the bonus is tied to the achievement of annual operating profit targets, and the remaining 30% is tied to the achievement of strategic and operating objectives established annually by our Board of Directors.

Stock Options and Restricted Stock. The primary objective of the stock option and restricted stock program is to link the interests of the Company's executive officers and other selected employees to the stockholders through significant grants of stock options or restricted stock made at the discretion of the Compensation Committee. The Company's stock option plans authorize the issuance of both incentive and non-qualified stock options to officers and employees of the Company, including key employees. Subject to general limits prescribed by the plans, the Compensation Committee has the authority to determine the individuals to who stock options are awarded and the terms of the options and the

number of shares subject to each option. The size of any particular stock option award is based upon the employee's position with the Company and the individual performance during the related evaluation period.

Chief Executive Officer's Compensation. As discussed under "Employment Agreements," the Company is a party to an employment agreement with Mr. Boshart. The salary, bonus and restricted stock grant given to Mr. Boshart in 2003 were based on the Compensation Committee's review of the compensation paid to the chief executive officers of comparable companies, assessment of the Company's revenue and earnings growth, the success of the Company's acquisition program as well as the Compensation Committee's continued recognition of Mr. Boshart's leadership of the Company.

Employment Agreements

We are party to employment agreements with each of Joseph A. Boshart and Emil Hensel, pursuant to which Mr. Boshart serves as our President and Chief Executive Officer and Mr. Hensel serves as our Chief Financial Officer. The initial term of each agreement expired on July 29, 2002.

Upon expiration of such initial term, each agreement automatically renewed for a one-year term, and will continue to renew for successive one-year terms unless prior to the end of such renewal term either party has given at least 90 days' prior written notice of its intention not to renew the agreement. Messrs. Boshart and Hensel currently receive annual base salaries of \$350,000 and \$262,500, respectively. These salaries are subject to increase upon annual review by the Compensation Committee of the Board of Directors, and each of Messrs. Boshart and Hensel is eligible to receive an annual bonus at the discretion of our Compensation Committee. Messrs. Boshart and Hensel are eligible to participate in all benefit plans and fringe benefit arrangements available to our senior executives. If either executive's employment is terminated without cause, the executive will be entitled to the greater of (x) base salary, for the balance of the renewal term, certain other benefits provided in the agreement and bonus for the fiscal year in which termination occurs or (y) one year's worth of his base salary in effect as of the date of termination. Each of Messrs. Boshart and Hensel is subject to a two-year post-termination noncompetition covenant. However, if either executive's employment is terminated without cause, then the non-competition agreement will be effective only if we continue to pay the executive's base salary, bonus and other benefits provided in the agreement for the term of the noncompetition covenant. We are permitted to terminate the noncompetition covenant, and related payments, upon 30 days' prior written notice.

The Company was previously a party to employment agreements with Mr. Conlin and Ms. Gardner. Mr. Conlin resigned from his position, effective February 5, 2004. Ms. Gardner's employment agreement was terminated, effective January 8, 2004; however, she remains an employee of the Company.

Our Stock Plans

Amended and Restated 1999 Stock Option Plan. We have reserved for issuance 2,145,515 shares of common stock under our Amended and Restated 1999 Stock Option Plan, subject to adjustment for stock splits or similar corporate events. Our Amended and Restated 1999 Stock Option Plan provides for the granting of options to purchase shares of our common stock to any of our employees or consultants and our non-employee directors. Each stock option granted under our Amended and Restated 1999 Stock Option Plan is either intended to qualify as an incentive stock option or is a non-qualified stock option. The plan is administered by the Compensation Committee of our Board of Directors. The exercise price of options granted under our Amended and Restated 1999 Stock Option Plan is determined by the Committee. In the case of incentive stock options granted to ten percent stockholders, the exercise price cannot be less than 110% of the fair market value of the common stock. In the event of a change of control of our company, stock options granted and not previously exercisable will become exercisable unless the Committee determines in good faith that an alternative option will be substituted.

Amended and Restated Equity Participation Plan. We have reserved for issuance 2,252,486 shares of common stock under our Amended and Restated Equity Participation Plan, subject to adjustment for stock splits or similar corporate events. Our Amended and Restated Equity Participation Plan provides for the granting of options to purchase shares of our common stock to key management employees of our Company and our affiliates. Each stock option granted under our Amended and Restated Equity Participation Plan is either intended to qualify as an incentive stock option or is a non-qualified stock option. The exercise price of options granted under our Amended and Restated Equity Participation Plan is divided into five tranches ranging from 100 percent to 300 percent of the fair market value of the common stock on the date of grant. However, for incentive stock options granted to ten percent stockholders, the exercise price in the first tranche cannot be less than 110 percent of the fair market value of the common stock on the date of grant. The Plan is currently administered by the Compensation Committee of our Board of Directors. In the event of a change in

18

control of our Company, stock options granted and not previously exercisable will become exercisable unless the Committee determines in good faith that an alternative option will be substituted.

401(k) Plan. We maintain a 401(k) Plan. The plan permits eligible employees to make voluntary, pre-tax contributions to the plan up to a specified percentage of compensation, subject to applicable tax limitations. We may make a discretionary matching contribution to the plan equal to a pre-determined percentage of an employee's voluntary, pre-tax contributions and may make an additional discretionary profit sharing contribution to the plan, subject to applicable tax limitations. Eligible employees who elect to participate in the plan are generally vested in any matching contribution after three years of service with the Company. The plan is intended to be tax-qualified under Section 401(a) of the Internal Revenue Code so that contributions to the plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the plan, and so that our contributions, if any, will be deductible by us when made.

Deferred Compensation Plan. The Board of Directors adopted the Deferred Compensation Plan, an unfunded non-qualified deferred compensation arrangement, effective as of January 1, 2004. Designated executives of the Company may elect to defer the receipt of a portion of their annual base salary, bonuses and commissions and the delivery of stock option gains to the Company's Deferred Compensation Plan. The Company may also make a discretionary contribution to the Deferred Compensation Plan on behalf of certain participants. Participants are immediately fully vested in any deferrals of annual base salary, bonuses, commissions and stock option gains and generally become vested in Company contributions after three years from the date such contribution is made to the plan. A participant's account balance will also become fully vested upon the occurrence of a change in control or upon a participant's retirement, death during employment or disability. Generally, payments under the Deferred Compensation Plan automatically commence upon a participant's retirement, termination of employment or death during employment; however, under certain limited circumstances described in the Plan, participants may receive distributions during employment. Benefits under the Deferred Compensation Plan are payable solely by the Company. To enable the Company to meet its financial commitment under the Deferred Compensation Plan, assets may be set aside in a corporate-owned vehicle. These assets are available to all general creditors of the Company in the event of the Company's insolvency. Participants of the Deferred Compensation Plan are unsecured general creditors of the Company with respect to the Deferred Compensation Plan benefits.

Tax Fees consist of services rendered for tax compliance, advice and planning. Tax Fees include fees for tax return preparation.

All Other Fees consist of fees for products and services other than the services reported above.

All of the fees described above were approved by the Audit Committee. None of the hours expended by E&Y on the audit of the Company's financial statements in 2003 were performed by persons other than E&Y's full time, permanent employees. E&Y has audited the Company's financial statements since the year of its establishment in 1999.

The Audit Committee has considered, and is satisfied that, the provision of the services provided by E&Y represented under the headings "Audit-Related Fees," "Tax Fees" and "All Other Fees" is compatible with maintaining the principal accountants' independence.

The Board deems the ratification of the selection of E&Y as independent accountants of the Company to be in the best interest of the Company and its stockholders and recommends that holders of the Common Stock vote FOR Proposal II.

Representatives of E&Y are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions asked by stockholders.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of the Independent Auditor

It is the Company's policy that the Audit Committee pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit related services, tax services and other services. The Audit Committee will consider annually and, if appropriate, approve the scope of the audit services to be performed during the fiscal year. The Chairman of the Audit Committee has been vested with the authority to approve or pre-approve services to be provided by the independent auditors when expedition of services is necessary, provided that the Chairman reports any approval or pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee is prohibited from delegating its responsibility to pre-approve services of the independent auditor to management. None of the services of the independent auditors were approved by the Audit Committee pursuant to a waiver of the Commission's rules regarding pre-approval.

SECTION 16(a) BENEFICIAL OWNERSHIP COMPLIANCE

Section 16(a) of the Exchange Act and the rules thereunder require our directors and officers, and persons who own more than 10% of our outstanding Common Stock to file reports of ownership and changes in ownership with the Commission. Our personnel generally prepare these reports on the basis of information obtained from each director and officer, and greater than ten percent stockholders are required by the Commission to furnish us with copies of all reports filed. To our best knowledge, all reports required by Section 16(a) of the Exchange Act to be filed by our directors, officers and 10% or greater stockholders during the year ended December 31, 2003 were filed on time, except that a Form 4 was not timely filed for a February 26, 2003 transaction by Carol Westfall. A Form 4 for this transaction was filed with the Commission on March 25, 2003.
