**EXPLANATORY NOTE**

Cross Country Healthcare, Inc. (the “Company”) filed its Definitive Proxy Statement on Schedule 14A (the “Proxy Statement”) with the Securities and Exchange Commission on April 1, 2024. The Proxy Statement inadvertently contained extraneous language appearing under the section entitled “New Plan Benefits” at the bottom of page 91. The purpose of this proxy statement supplement (the “Supplement”) is to restate the paragraphs that appear under “New Plan Benefits” on page 91 of the Proxy Statement in order to remove the extraneous language. The Company’s Board of Directors’ recommendation FOR Proposal 4 is unchanged.

Except as specifically revised by this Supplement, this Supplement does not amend, revise or update any of the other information set forth in the Proxy Statement. This Supplement should be read in conjunction with the Proxy Statement. From and after the date of this Supplement, any references to the “Proxy Statement” are to the Proxy Statement as supplemented hereby. In addition, this Supplement does not reflect events occurring after the date of the Proxy Statement or modify or update disclosures that may have been affected by subsequent events.

If you have already submitted your proxy by voting your shares, you do not need to take any action unless you wish to change your vote. Shareholders who have not voted are encouraged to vote as soon as possible.

## Amendment to Original Proxy Statement

*The three paragraphs under “New Plan Benefits” on page 91 of the Original Proxy Statement are hereby replaced in their entirety with the following:*

### **New Plan Benefits**

Future benefits under the 2024 Omnibus Incentive Plan generally will be granted at the discretion of the Committee and are therefore not currently determinable.

Because future grants of awards under the 2024 Omnibus Incentive Plan, if approved, would be subject to the discretion of the Board or the Committee, the amount and terms of future awards to particular participants or groups of participants are not determinable at this time. No awards have been previously granted that are contingent on the approval of the 2024 Omnibus Incentive Plan.
