

Cross Country Healthcare's Family of Brands Receives Numerous Best of Staffing® Awards from ClearlyRated (Formerly Inavero)

February 12, 2019

Distinction awarded to less than 2% of all staffing agencies in the U.S. and Canada

BOCA RATON, Fla., Feb. 12, 2019 /PRNewswire/ -- Cross Country Healthcare (CCH) (NASDAQ: CCRN), a national leader in providing innovative healthcare workforce solutions and staffing services, is proud to announce that it has won several of ClearlyRated's (formerly Inavero) Best of Staffing awards. Across all brands, Cross Country Healthcare takes pride in providing superior customer service. This commitment is acknowledged by the receipt of these respected awards, including Best of Staffing Talent, Best of Staffing Client and the prestigious Best of Staffing Diamond award.

Presented in partnership with CareerBuilder and Indeed, ClearlyRated's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings by their clients and the employees they place. On average, clients of winning agencies are 2.2 times more likely to be completely satisfied, and job seekers who work with winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies. Less than two percent of all staffing firms in the U.S. and Canada have earned the Best of Staffing award for service excellence.

"These awards are a true testament of the passion and commitment to deliver the highest quality service exemplified by each of our Cross Country Healthcare brands," said Kevin Clark, President and CEO. "We all understand that it is not solely about placement or implementation, it is about making that personal connection and human touch. The high ratings we have received from our healthcare facility and school clients, as well as our healthcare and school-based, professionals reinforce this connection, and remind us that as their partner, we are helping to make a difference, positively impacting those they serve."

"In today's historically tight labor market, hiring managers and job seekers need a clear and reputable way to vet potential staffing and recruiting partners," said ClearlyRated's CEO Eric Gregg. "Best of Staffing winners have set themselves apart by demonstrating their commitment to client and candidate service, investing in a survey and feedback program that brings transparency to the client and talent experience at their firms. I'm thrilled to showcase these service leaders alongside their validated client and talent ratings on ClearlyRated.com."
