NAMSS is committed to enhancing the professional development of and recognition for professionals in the medical staff and credentialing services field. Its member base is comprised of more than 6,000 medical staff and credentialing service professionals from medical group practices, hospitals, managed care organizations and credentials verification organizations. Hall is the first locum tenens company-based director to serve on the NAMSS board of directors.

"We are extremely proud of Di's appointment to the NAMSS board of directors. Her extensive locum tenens credentialing knowledge and experience will be a great asset to furthering NAMSS' vision of ensuring healthcare quality and patient safety," said Kevin Clark, co-founder and chief executive officer of Cross Country Healthcare.

Cross Country Locums, a division of Cross Country Healthcare, has been a leader in the locum tenens staffing industry for more than 30 years. Its in-house credentials verification organization, CREDENTIAL, has been certified by the National Committee on Quality Assurance (NCQA) since 2001.

### About Cross Country Healthcare
