White leads workforce solutions, sales and client services across the Cross Country enterprise. Her leadership has resulted in demonstrable operational efficiencies and improved production levels. Cross Country is the fifth-largest healthcare staffing firm in the US.

The Global Power 150 list recognizes women in leadership positions as well as important contributions women have made across the industry. This year's list features CEOs, entrepreneurs and division heads, as well as technologists, workforce specialists, operational experts and legal professionals. Together, they have helped shape a \$498 billion global staffing industry while leading the charge toward a more equitable future of work.

"Buffy is a smart, savvy executive with decades of staffing experience, and we are extremely proud that she has been featured on SIA's 2020 Global Power 150 Women in Staffing list for multiple years now," says Kevin C. Clark, co-founder and chief executive officer of Cross Country Healthcare. "Women comprise more than two-thirds of our employees here at Cross Country Healthcare, and we owe much of our success to their guidance and direction."

This is SIA's sixth annual Global Power 150 Women in Staffing list. Learn more about the 2020 Global Power 150 Women in Staffing list and see all this year's honorees [here](#).
