

Cross Country Named Most Loved Workplace® for 2024

August 29, 2024

BOCA RATON, Fla.--(BUSINESS WIRE)--Aug. 29, 2024-- Cross Country Healthcare (NASDAQ: CCRN), a leading provider of workforce solutions and tech-enabled staffing, recruitment, and advisory services, is proud to announce that it has been certified as a Most Loved Workplace® for 2024. This certification, granted by the Best Practice Institute (BPI), underscores Cross Country's commitment to fostering a workplace where employees feel valued, inspired, and appreciated.

"We are immensely proud to be recognized as a Most Loved Workplace® for a second year," said John A. Martins, President, and CEO of Cross Country. "This certification is a testament to our unwavering dedication to cultivating a dynamic and empowering environment. At Cross Country, we don't just aim to meet expectations; we aim to exceed them, ensuring our employees not only thrive but also feel deeply valued and integral to our collective success."

The Most Loved Workplace® certification is based on BPI's Spark Model, which evaluates key areas such as Systemic Collaboration, Positive Vision of the Future, Alignment of Values, Respect, and Outstanding Achievement. Employee feedback plays a critical role in this process, as their engagement, workplace satisfaction, and loyalty are integral to the assessment.

"In today's competitive job market, companies that prioritize employee well-being and satisfaction stand out," said Louis Carter, CEO of Best Practice Institute. "Cross Country's certification as a Most Loved Workplace® reflects its commitment to understanding and acting on employee feedback, creating a culture where employees love to work."

About Newsweek

Newsweek is the modern global digital news organization built around the iconic, over 85-year-old American magazine. Newsweek reaches 100 million people each month with its thought-provoking news, opinion, images, graphics, and video delivered across a dozen print and digital platforms.
