Item 7.01 Regulation FD Disclosure.

During our earnings call for our fourth quarter results on March 10, 2016, our management stated that we experienced a technology glitch with an external vendor that limited the number of applications we were receiving. Since that time, the company has finished its review of the matter and determined the impact was limited to the first quarter, which was reflected in our guidance announced on the earnings call. As reported on our earnings call, this technology glitch has been resolved.
