CROSS COUNTRY HEALTHCARE, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

1. ORGANIZATION AND BASIS OF PRESENTATION

Nature of Business

The accompanying condensed consolidated financial statements include the accounts of Cross Country Healthcare, Inc. and its direct and indirect wholly-owned subsidiaries (collectively, the Company). In the opinion of management, all adjustments necessary for a fair presentation of such unaudited condensed consolidated financial statements have been included. All such adjustments consisted of all normal recurring items, including the elimination of all intercompany transactions and balances.

The accompanying condensed consolidated financial statements have been prepared in accordance with United States generally accepted accounting principles (U.S. GAAP) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and notes required by U.S. GAAP for complete financial statements. These operating results are not necessarily indicative of the results that may be expected for the year ending December 31, 2024.

These unaudited interim condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto for the year ended December 31, 2023 included in the 2023 Form 10-K. The December 31, 2023 condensed consolidated balance sheet included herein was derived from the December 31, 2023 audited consolidated balance sheet included in the 2023 Form 10-K.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts in the condensed consolidated financial statements and accompanying notes. Management has assessed various accounting estimates and other matters, including those that require consideration of forecasted financial information, using information that is reasonably available to the Company at the time. Significant estimates and assumptions are used for, but not limited to: (i) the valuation of accounts receivable; (ii) goodwill, trade names, and other intangible assets; (iii) other long-lived assets; (iv) revenue recognition; (v) accruals for health, workers' compensation, and professional liability claims; (vi) valuation of deferred tax assets; (vii) legal contingencies; and (viii) income taxes. Accrued insurance claims and reserves include estimated settlements from known claims and actuarial estimates for claims incurred but not reported. As additional information becomes available to the Company, its future assessment of these estimates could materially and adversely impact the Company's consolidated financial statements in future reporting periods. Actual results could differ from those estimates.

Risks and Uncertainties

The Company's future results of operations and liquidity could be materially adversely affected by macroeconomic factors contributing to delays in payments from customers and inflationary pressure, uncertain or reduced demand, and the impact of any initiatives or programs that the Company may undertake to address financial and operational challenges faced by its customers. See associated risk factors in Item 1A. Risk Factors in the 2023 Form 10-K.

Accounts Receivable, net

The timing of revenue recognition, billings, and collections results in billed and unbilled accounts receivable from customers, which are classified as accounts receivable on the condensed consolidated balance sheets and are presented net of allowances for doubtful accounts and sales allowances. Estimated revenue for the Company employees', subcontracted employees', and independent contractors' time worked but not yet billed at March 31, 2024 and December 31, 2023 totaled \$76.5 million and \$89.9 million, respectively.

The Company generally does not require collateral and mitigates its credit risk by performing credit evaluations and monitoring at-risk accounts. The allowance for doubtful accounts is established for losses expected to be incurred on accounts receivable balances. Accounts receivable are written off against the allowance for doubtful accounts when the Company determines amounts are no longer collectible. Judgment is required in the estimation of the allowance and the Company evaluates the

collectability of its accounts receivable based on a combination of factors. The Company bases its allowance for doubtful account estimates on its historical write-off experience, current conditions, an analysis of the aging of outstanding receivable and customer payment patterns, and specific reserves for customers in adverse condition adjusted for current expectations for the customers or industry. Based on the information currently available, the Company also considered expectations of future economic conditions when estimating its allowance for doubtful accounts.

The opening balance of the allowance for doubtful accounts is reconciled to the closing balance for expected credit losses as follows:

	2024		2023	
	(amounts in thousands)			
Balance at January 1	\$	19,640	\$	13,058
Bad Debt Expense		1,290		4,908
Write-Offs, net of Recoveries		(1,555)		54
Balance at March 31	\$	19,375	\$	18,020

In addition to the allowance for doubtful accounts, the Company maintains a sales allowance for billing-related adjustments which may arise in the ordinary course of business and adjustments to the reserve are recorded as contra-revenue. The sales allowance balance as of March 31, 2024 and December 31, 2023 was \$0.8 million and \$0.9 million, respectively.

The Company's contract terms typically require payment between 30 to 60 days from the date of invoice and are considered past due based on the particular negotiated contract terms. The majority of the Company's customers are healthcare systems with a significant percentage in acute-care facilities. No single customer accounted for more than 10% of the Company's revenue for the three months ended March 31, 2024 and 2023, or the Company's accounts receivable balance as of March 31, 2024 and December 31, 2023. In 2023, there was an increase in bad debt expense primarily driven by a deterioration in our accounts receivable aging stemming from a single managed service programs (MSP) customer. Although the Company expects to recover the remaining balance, further reserves may be required in the event this customer does not continue making payments or experiences a material deterioration in their financial condition.

Restructuring Costs

The Company considers restructuring activities to be programs whereby it fundamentally changes its operations, such as closing and consolidating facilities, reducing headcount, and realigning operations in response to changing market conditions. As a result, restructuring costs on the condensed consolidated statements of operations and comprehensive income primarily include employee termination costs and lease-related exit costs.

Reconciliations of the employee termination costs and lease-related exit costs beginning and ending liability balance is presented below:

	Employee Termination Costs		Lease-Related Exit Costs	
	(amounts in thousands)			
Balance at January 1, 2024	\$	895	\$	1,184
Charged to restructuring		188		525
Payments and adjustments		(759)		(218)
Balance at March 31, 2024	\$	324	\$	1,491

Recent Accounting Pronouncements

On December 14, 2023, the FASB issued ASU No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires that public business entities, on an annual basis, (1) disclose specific categories in the rate reconciliation and (2) provide additional information for reconciling items that meet a quantitative threshold (if the effect of those reconciling items is equal to or greater than five percent of the amount computed by multiplying pretax income (or loss) by the applicable statutory income tax rate). The amendments also require that all entities disclose, on an annual basis, disaggregated information regarding income taxes paid and income tax expense. This guidance is effective for annual periods beginning after December 15, 2024. The amendments should be applied prospectively, but retrospective application is permitted. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The Company expects to adopt this standard for its annual report for the fiscal year ended December 31, 2025. The Company expects this ASU to only impact its disclosures with no impacts to results of operations, cash flows, and financial condition.

On November 27, 2023, the FASB issued ASU No. 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, which improves reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses, enhances interim disclosure requirements, clarifies circumstances in which an entity can disclose multiple segment measures of profit or loss, provides new segment disclosure requirements for entities with a single reportable segment, and requires certain disclosures related to the chief operating decision maker. This guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. The amendments should be applied retrospectively to all prior periods presented in the financial statements. Early adoption is permitted. The Company expects to adopt this standard for its fiscal year ended December 31, 2024. The Company expects this ASU to only expand its disclosures with no impacts to results of operations, cash flows, and financial condition.

4. ACQUISITIONS

HireUp

On December 13, 2022, the Company purchased and acquired substantially all of the assets and assumed certain liabilities of HireUp Leadership Inc. (HireUp) for a purchase price of \$6.0 million in cash, subject to adjustment, and \$0.8 million in shares (or 29,811 shares) of the Company's common stock. The transaction was treated as a purchase of assets for income tax purposes.

The sellers were eligible to receive up to an additional \$8.0 million in earnout cash consideration based on HireUp's revenues and Adjusted EBITDA for each of the twelve-month periods ending on the first and second anniversaries of the first day after the closing date. Quarterly throughout 2023, and during the first quarter of 2024, the Company performed analyses using multiple updated forecasted scenarios and determined that the earnout would only be partially achieved. As a result, the Company recognized a decrease in the fair value of the related liabilities in the second and third quarters of 2023. The Company paid the remaining earnout liability of \$1.7 million in the first quarter of 2024. See Note 10 - Fair Value Measurements.

During the quarter ended March 31, 2023, the Company assigned the following values to other identifiable intangible assets: (i) \$0.9 million to trade names with a weighted average estimated useful life of 2 years; (ii) \$2.5 million to a customer list with a weighted average estimated useful life of 10 years; and (iii) \$3.5 million to a database with a weighted average estimated useful life of 7 years, for a total of \$6.9 million in definite life intangible assets with a weighted average estimated useful life of 7 years.

The remaining excess purchase price over the fair value of net assets acquired of \$1.6 million was recorded as goodwill on the Company's condensed consolidated balance sheets. See Note 7 - Goodwill, Trade Names, and Other Intangible Assets.

Mint

On October 3, 2022, the Company purchased and acquired substantially all of the assets and assumed certain liabilities of Mint Medical Physician Staffing, LP and Lotus Medical Staffing LLC (collectively, Mint) for a purchase price of \$27.0 million in cash, subject to adjustment, and \$3.6 million in shares (or 114,278 shares) of the Company's common stock. The transaction was treated as a purchase of assets for income tax purposes.

The sellers were eligible to receive up to an additional \$10.0 million in earnout cash consideration based on Mint's revenues and gross profit for each of the twelve-month periods ending on the first and second anniversaries of the first day of the calendar month following the closing date. In the fourth quarter of 2023, the Company performed a calculation for the first measurement period, resulting in the achievement of a \$4.9 million earnout, which was paid in the first quarter of 2024. During the first quarter of 2024, the Company performed analyses using multiple updated forecasted scenarios and determined that the earnout for the second measurement period would only be partially achieved and, as a result, recognized a decrease in the fair value of the related liabilities. The remaining liability of \$4.1 million is included in the current portion of earnout liability on the condensed consolidated balance sheets. See Note 10 - Fair Value Measurements.

During the quarter ended March 31, 2023, the Company assigned the following values to other identifiable intangible assets: (i) \$0.4 million to trade names with a weighted average estimated useful life of 1 year; (ii) \$2.3 million to a customer list with a weighted average estimated useful life of 11 years; and (iii) \$12.4 million to a database with a weighted average estimated useful life of 7 years, for a total of \$15.1 million in definite life intangible assets with a weighted average estimated useful life of 7 years.

The remaining excess purchase price over the fair value of net assets acquired of \$20.1 million was recorded as goodwill on the Company's condensed consolidated balance sheets. See Note 7 - Goodwill, Trade Names, and Other Intangible Assets.

The above acquisitions made in 2022, HireUp and Mint, both individually and in the aggregate, were not significant and have been accounted for using the acquisition method of accounting. The pro-forma impact on the Company's consolidated revenue from services and net income, including the pro forma effect of events that are directly attributable to the acquisitions, was not significant.

Cross Country Workforce Solutions Group (CCWSG)

On June 8, 2021, the Company purchased and acquired substantially all of the assets and assumed certain liabilities of Workforce Solutions Group, Inc. (WSG) for a purchase price of \$25.0 million in cash and \$5.0 million in shares (or 307,730 shares) of the Company's common stock.

The sellers were eligible to receive an earnout based on the business' performance through three years after the acquisition date that could provide up to an additional \$15.0 million in cash. In the third quarter of 2022, the Company determined that the contingent consideration earnout was achieved for the 2021 through 2022 period and, as a result, the Company made a \$7.5 million earnout payment. In the third quarter of 2023, the Company determined that the contingent consideration earnout was achieved for the 2022 through 2023 period and, as a result, the Company made the final \$7.5 million earnout payment.

5. COMPREHENSIVE INCOME

Total comprehensive income includes net income or loss and foreign currency translation adjustments, net of any related deferred taxes, and is included within the accompanying condensed consolidated statements of operations and comprehensive income. Certain of the Company's foreign subsidiaries use their respective local currency as their functional currency. Assets and liabilities of these operations are translated at the exchange rates in effect on the balance sheet date. Income statement items are translated at the average exchange rates for the period. The cumulative impact of currency fluctuations related to the balance sheet translation is included in accumulated other comprehensive loss in the accompanying condensed consolidated balance sheets and was an unrealized loss of \$1.5 million as of March 31, 2024 and December 31, 2023.

The income tax impact related to components of other comprehensive income for the three months ended March 31, 2024 and 2023 is included in unrealized foreign currency translation (loss) gain, net of tax in the condensed consolidated statements of operations and comprehensive income.

6. EARNINGS PER SHARE

Goodwill, Trade Names, and Other Intangible Assets Impairment

The Company tests reporting units' goodwill and intangible assets with indefinite lives for impairment annually during the fourth quarter and more frequently if impairment indicators exist. The Company performs quarterly qualitative assessments of significant events and circumstances such as reporting units' historical and current results, assumptions regarding future performance, strategic initiatives and overall economic factors, and macro-economic developments, to determine the existence of potential indicators of impairment and assess if it is more likely than not that the fair value of reporting units or intangible assets is less than their carrying value. If indicators of impairments are identified a quantitative impairment test is performed.

As of March 31, 2024, the Company performed a qualitative assessment of each of its reporting units and determined it was not more likely than not that the fair value of its reporting units dropped below their carrying value. Although management believes that the Company's current estimates and assumptions utilized in its qualitative testing are reasonable and supportable, there can be no assurance that the estimates and assumptions management used for purposes of its assessment as of March 31, 2024 will prove to be accurate predictions of future performance.

As of March 31, 2024, goodwill by reporting segment was: \$112.5 million for Nurse and Allied Staffing and \$22.9 million for Physician Staffing, for a total of \$135.4 million.

For its long-lived assets and definite-lived intangible assets, the Company reviews for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. As of March 31, 2024 and 2023, the Company performed a qualitative assessment of its trade names and other intangible assets and determined it was not more likely than not that their carrying value may not be recoverable.

8. DEBT

The Company's debt consists of the following:

	March 31, 2024		December 31, 2023	
	Principal	Debt Issuance Costs	Principal	Debt Issuance Costs
	(amounts in thousands)			
Senior Secured Asset-Based Loan, interest of 7.17% and 6.99% at March 31, 2024 and December 31, 2023, respectively	\$ —	\$ (2,420)	\$ —	\$ (2,623)
Debt	\$ —	\$ (2,420)	\$ —	\$ (2,623)

As of March 31, 2024 and December 31, 2023, there was no debt outstanding on the condensed consolidated balance sheets. The Company has elected to present the debt issuance costs associated with its senior secured asset-based credit facility as an asset, which is included in other assets on the condensed consolidated balance sheets.

2021 Term Loan Credit Agreement

On June 8, 2021, the Company entered into a Term Loan Credit Agreement (Term Loan Agreement) with certain lenders identified therein (collectively, the Lenders) and Wilmington Trust, National Association as administrative agent and collateral agent, pursuant to which the Lenders extended to the Company a six-year second lien subordinated term loan in the amount of \$100.0 million (term loan).

On November 18, 2021, the Company amended the Term Loan Agreement (Term Loan First Amendment), which provided the Company an incremental borrowing in an aggregate amount equal to \$75.0 million. Additionally, the Term Loan First Amendment increased the aggregate amount of all increases (as defined in the Term Loan Agreement) to be no greater than \$115.0 million.

On April 14, 2023, the Company amended the Term Loan Agreement (Term Loan Second Amendment), which provided the option for all or a portion of the borrowings to bear interest at a rate based on the Secured Overnight Financing Rate (SOFR) or the Base Rate, at the election of the borrowers, plus an applicable margin.

On June 30, 2023, the Company repaid all outstanding obligations of \$73.9 million under the term loan and terminated the Term Loan Agreement. As a result, debt issuance costs of \$1.7 million were written off in the second quarter of 2023. There were no prepayment premiums associated with the payoff and all subsidiary guarantees of the term loan were automatically released.

2019 Asset-Based Loan Agreement

Effective October 25, 2019, the Company terminated its prior senior credit facility and entered into an asset-based loan agreement, by and among the Company and certain of its domestic subsidiaries, as borrowers or guarantors, Wells Fargo, PNC Bank N.A., as well as other Lenders (as defined therein) from time to time parties thereto (Loan Agreement). The Loan Agreement provided for a five-year revolving senior secured asset-based credit facility (ABL) in the aggregate principal amount of up to \$120.0 million, including a sublimit for swing loans up to \$15.0 million and a \$35.0 million sublimit for standby letters of credit.

On June 30, 2020, the Company amended the Loan Agreement (First Amendment), which increased the current aggregate committed size of the ABL from \$120.0 million to \$130.0 million. All other terms, conditions, covenants, and pricing of the Loan Agreement remained the same.

On March 8, 2021, the Company amended the Loan Agreement (Second Amendment), which increased the current aggregate committed size of the ABL from \$130.0 million to \$150.0 million, increased certain borrowing base sub-limits, and decreased both the cash dominion event and financial reporting triggers.

On June 8, 2021, the Company amended the Loan Agreement (Third Amendment), which permitted the incurrence of indebtedness and grant of security as set forth in the Loan Agreement and in accordance with the Intercreditor Agreement, and provides mechanics relating to a transition away from LIBOR as a benchmark interest rate to a replacement alternative benchmark rate or mechanism for loans made in U.S. dollars.

On November 18, 2021, the Company amended the Loan Agreement (Fourth Amendment), whereby the permitted indebtedness (as defined in the Loan Agreement), was increased to \$175.0 million.

On March 21, 2022, the Company amended the Loan Agreement (Fifth Amendment), which increased the current aggregate committed size of the ABL from \$150.0 million to \$300.0 million, extended the term of the credit facility for an additional five years, through March 21, 2027, and increased certain borrowing base sub-limits. In addition, the agreement provides the option for all or a portion of the borrowings to bear interest at a rate based on the SOFR or the Base Rate, at the election of the borrowers, plus an applicable margin. The applicable margin increased 10 basis points due to the credit spread associated with the transition to SOFR.

On September 29, 2023, the Company amended the Loan Agreement (Sixth Amendment), which changed the minimum fixed charge coverage ratio from a maintenance covenant to a springing covenant based on excess availability, which provides for compliance with the covenant only during a compliance period (any time that excess availability falls below a certain threshold), and in such case, the financial covenant shall be tested during this period.

These amendments were treated as modifications of debt and, as a result, the associated fees and costs were included in debt issuance costs and are amortized ratably over the remaining term of the Loan Agreement.

Availability of the ABL commitments is subject to a borrowing base of up to 85% of secured eligible accounts receivable, subject to adjustment at certain quality levels, minus customary reserves and subject to customary adjustments. Revolving loans and letters of credit issued under the Loan Agreement reduce availability under the ABL on a dollar-for-dollar basis. At March 31, 2024, there were no borrowings drawn under the ABL, and borrowing base availability under the ABL was \$200.1 million, with \$186.3 million of availability net of \$13.8 million of letters of credit outstanding related to workers' compensation and professional liability policies.

As of March 31, 2024, the interest rate spreads and fees under the ABL were based on SOFR plus 1.85% for the revolving portion of the borrowing base. The Base Rate (as defined by the Loan Agreement) margin would have been 0.75% for the revolving portion. The SOFR and Base Rate margins are subject to monthly adjustments, pursuant to a pricing matrix based on the Company's excess availability under the revolving credit facility. In addition, the facility is subject to an unused line fee, letter of credit fees, and an administrative fee. The unused line fee is 0.375% of the average daily unused portion of the revolving credit facility.

The ABL contains various restrictions applicable to the Company and its subsidiaries. For the three months ended March 31, 2024, the excess availability did not fall below the stated threshold and, as a result, there was no covenant compliance period. Obligations under the ABL are secured by substantially all of the assets of the borrowers and guarantors (as defined therein), subject to customary exceptions.

9. LEASES

The Company's lease population of its right-of-use assets and lease liabilities is substantially related to the rental of office space. The Company enters into lease agreements as a lessee that may include options to extend or terminate early. Some of these real estate leases require variable payments of property taxes, insurance, and common area maintenance, in addition to base rent. Certain of the leases have provisions for free rent months during the lease term and/or escalating rent payments and, particularly for the Company's longer-term leases for its corporate offices, it has received incentives to enter into the leases, such as receiving up to a specified dollar amount to construct tenant improvements. These leases do not include residual value guarantees, covenants, or other restrictions.

As a part of the Company's restructuring activities, management periodically reduces or fully vacates leased office space, which results in right-of-use impairment charges. The Company may also write off leasehold improvements or other property and equipment related to these locations. The measurement of these impairments is a Level 3 fair value measurement. For the three months ended March 31, 2024 and 2023, the Company did not record any material lease-related impairment charges. See Note 2 - Summary of Significant Accounting Policies for a description of the Company's restructuring activities.

The table below presents the lease-related assets and liabilities included on the condensed consolidated balance sheets:

Operating lease expense, short-term lease expense, and variable and other lease costs are included in selling, general and administrative expenses, direct operating expenses, and restructuring costs in the condensed consolidated statements of operations and comprehensive income, depending on the nature of the leased asset. Operating lease expense is reported net of sublease income, which is not material.

As of March 31, 2024, the Company did not have any material operating leases that had not yet commenced, and does not have any finance lease contracts.

10. FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy was established which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities.

Level 2—Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Items Measured at Fair Value on a Recurring Basis:

The Company's financial assets/liabilities required to be measured on a recurring basis were primarily its: (i) deferred compensation asset included in other assets; and (ii) deferred compensation liability included in other liabilities on its condensed consolidated balance sheets.

Deferred compensation—The Company utilizes Level 1 inputs to value its deferred compensation assets and liabilities. The Company’s deferred compensation assets and liabilities are measured using publicly available indices, as per the plan documents.

The estimated fair value of the Company’s financial assets and liabilities measured on a recurring basis is as follows:

Fair Value Measurements		March 31, 2024	December 31, 2023
		(amounts in thousands)	
Financial Assets:			
(Level 1)			
Deferred compensation asset	\$	3,516	\$ 3,298
Financial Liabilities:			
(Level 1)			
Deferred compensation liability	\$	2,977	\$ 3,343

Items Measured at Fair Value on a Non-Recurring Basis:

The Company’s non-financial assets, such as goodwill, trade names, other intangible assets, right-of-use assets, and property and equipment, are measured at fair value when there is an indicator of impairment and are recorded at fair value only when an impairment charge is recognized.

Other Fair Value Disclosures:

Financial instruments not measured or recorded at fair value in the condensed consolidated balance sheets consist of cash and cash equivalents, accounts receivable, and accounts payable and accrued expenses. The estimated fair value of accounts receivable and accounts payable and accrued expenses approximate their carrying amount due to the short-term nature of these instruments. Other financial instruments not measured or recorded at fair value include earnout liabilities related to the (i) Mint and (ii) HireUp acquisitions, as discussed below.

(i) Potential earnout payments related to the Mint acquisition are contingent upon meeting certain performance requirements based on 2022 through 2024 performance. On a quarterly basis, the Company performs an analysis using multiple forecasted scenarios to determine the fair value of the earnout liability. In the fourth quarter of 2023, the Company performed the earnout calculation for the first measurement period, resulting in an earnout of \$4.9 million, which was paid in the first quarter of 2024. During the first quarter of 2024, the Company determined that the earnout for the second measurement period would only be partially achieved and, as a result, recognized a decrease in the fair value of the related liabilities. The remaining liability of \$4.1 million is included in the current portion of earnout liability on the condensed consolidated balance sheets. The carrying amount of the earnout liability approximates fair value. See Note 4 - Acquisitions.

(ii) Potential earnout payments related to the HireUp acquisition were contingent upon meeting certain performance requirements based on 2022 through 2024 performance. Quarterly throughout 2023 and in the first quarter of 2024, the Company performed analyses using multiple updated forecasted scenarios and determined that the earnout would only be partially achieved. As a result, the Company recognized a decrease in the fair value of the related liabilities in the second and third quarters of 2023 and the first quarter of 2024. The remaining liability of \$1.7 million was paid in the first quarter of 2024. See Note 4 - Acquisitions.

The carrying amounts and estimated fair value of the Company's significant financial instruments that were not measured at fair value are as follows:

	March 31, 2024		December 31, 2023	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
(amounts in thousands)				
Financial Liabilities:				
(Level 2)				
Earnout Liability (Mint)	\$ 4,100	\$ 4,100	\$ 9,884	\$ 9,884
Earnout Liability (HireUp)	\$ —	\$ —	\$ 1,910	\$ 1,910

Concentration of Credit Risk:

See discussion of credit losses and allowance for doubtful accounts in Note 2 - Summary of Significant Accounting Policies. Overall, based on the large number of customers in differing geographic areas, primarily throughout the United States and its territories, the Company believes the concentration of credit risk is limited.

11. STOCKHOLDERS' EQUITY

Stock Repurchase Program

On August 16, 2022, the Company's Board of Directors authorized a stock repurchase program (the Repurchase Program), whereby the Company may repurchase up to \$100.0 million of its shares of common stock, subject to the terms of its current credit agreements. The shares may be repurchased from time-to-time in the open market or in privately negotiated transactions. The Repurchase Program does not obligate the Company to repurchase any particular number of shares of common stock and may be discontinued by the Board of Directors at any time.

On May 1, 2023, the Company's Board of Directors authorized approximately \$59.0 million in additional share repurchases, such that, effective for trades made after May 3, 2023, the aggregate amount available for stock repurchases under the Repurchase Program was set at \$100.0 million. The shares can be repurchased from time-to-time in the open market or in privately negotiated transactions. Decisions regarding the amount and the timing of repurchases under the Repurchase Program will be subject to the Company's available liquidity and cash on hand, applicable legal requirements, the terms of the Company's Loan Agreement, general market conditions, and other factors.

During the fourth quarter of 2022, the Company entered into a Rule 10b5-1 Repurchase Plan to allow for share repurchases during the Company's blackout periods, effective through November 2, 2023. During the third quarter of 2023, the Company entered into a new Rule 10b5-1 Repurchase Plan to allow for share repurchases during the Company's blackout periods, beginning on January 2, 2024.

During the three months ended March 31, 2024, the Company repurchased a total of 310,235 shares of common stock for \$6.4 million, at an average price of \$20.51 per share. During the three months ended March 31, 2023, the Company repurchased a total of 1,223,404 shares of common stock for \$31.7 million, at an average price of \$25.94 per share.

As of March 31, 2024, the Company had \$70.9 million remaining for share repurchase under the Repurchase Program, subject to certain conditions in the Company's Loan Agreement. As of March 31, 2024, the Company had 34,325,694 unrestricted shares of common stock outstanding.

Share-Based Payments

On May 19, 2020, the Company's stockholders approved the Cross Country Healthcare, Inc. 2020 Omnibus Incentive Plan (2020 Plan), which replaced the Cross Country Healthcare, Inc. 2017 Omnibus Incentive Plan (2017 Plan), and applies to awards granted after May 19, 2020. The remaining shares available for grant under the 2017 Plan were cancelled and no further awards will be granted under that plan. The 2020 Plan generally mirrors the terms of the 2017 Plan and includes the following provisions: (1) an aggregate share reserve of 3,000,000 shares; (2) annual dollar and share limits of awards granted to employees, consultants, and non-employee directors, based on type of award; (3) awards granted generally will be subject to a minimum one-year vesting schedule; and (4) awards may be granted under the 2020 Plan until March 24, 2030.

The following table summarizes restricted stock awards and performance stock awards activity issued under the 2020 Plan for the three months ended March 31, 2024:

	Restricted Stock Awards		Performance Stock Awards	
	Number of Shares	Weighted Average Grant Date Fair Value	Number of Target Shares	Weighted Average Grant Date Fair Value
Unvested restricted stock awards, January 1, 2024	547,534	\$ 20.42	417,197	\$ 18.75
Granted	305,930	\$ 18.72	170,880	\$ 18.67
Vested	(249,540)	\$ 18.04	(145,908)	\$ 12.71
Forfeited	(19,210)	\$ 21.98	(21,366)	\$ 21.41
Unvested restricted stock awards, March 31, 2024	584,714	\$ 20.50	420,803	\$ 20.68

Restricted stock awards granted under the 2020 Plan entitle the holder to receive, at the end of a vesting period, a specified number of shares of the Company's common stock. Share-based compensation expense is measured by the market value of the Company's stock on the date of grant.

Awards granted to non-employee directors under the 2020 Plan will vest on the first anniversary of such grant date, or earlier subject to retirement eligibility. In addition, effective for the three months ended June 30, 2020, the Company implemented modified guidelines that provide for accelerated vesting of restricted stock grants on the last date of service when a retirement-eligible director retires.

Pursuant to the 2020 Plan, the number of target shares that are issued for performance-based stock awards are determined based on the level of attainment of the targets. During the first quarter of 2024, the Company's Compensation Committee of the Board of Directors approved a 101% level of attainment for the 2021 performance-based share awards, resulting in the issuance of 145,908 performance shares that vested on March 31, 2024.

During the three months ended March 31, 2024, \$1.2 million was included in selling, general and administrative expenses related to share-based payments, and a net of 251,024 shares of common stock were issued upon the vesting of restricted and performance stock.

During the three months ended March 31, 2023, \$1.8 million was included in selling, general and administrative expenses related to share-based payments, and a net of 374,692 shares of common stock were issued upon the vesting of restricted and performance stock.

The Company defines contribution income as income (loss) from operations before depreciation and amortization, acquisition and integration-related (benefits) costs, restructuring (benefits) costs, legal and other losses, impairment charges, and corporate overhead. The Company does not evaluate, manage, or measure performance of segments using asset information; accordingly, total asset information by segment is not prepared or disclosed. The information in the following table is derived from the segments' internal financial information as used for corporate management purposes. Certain corporate expenses are not allocated to or among the operating segments.

Information on operating segments and a reconciliation to income from operations for the periods indicated are as follows:

13. CONTINGENCIES

Legal Proceedings

From time to time, the Company is involved in various litigation, claims, investigations, and other proceedings that arise in the ordinary course of its business. These proceedings primarily relate to employee-related matters that include individual and collective claims, professional liability, tax, and payroll practices. The Company establishes reserves when available information indicates that a loss is probable and an amount or range of loss can be reasonably estimated. These assessments are performed at least quarterly and are based on the information available to management at the time and involve significant management judgment to determine the probability and estimated amount of potential losses, if any. Based on the available information considered in its reviews, the Company adjusts its loss contingency accruals and its disclosures as may be required. Actual outcomes or losses may differ materially from those estimated by the Company's current assessments, including

available insurance recoveries, which would impact the Company's profitability. Adverse developments in existing litigation claims or legal proceedings involving the Company or new claims could require management to establish or increase litigation reserves or enter into unfavorable settlements or satisfy judgments for monetary damages for amounts in excess of current reserves, which could adversely affect the Company's financial results. During the first quarter of 2024, the Company recorded legal and other losses of \$3.7 million representing an offer to settle a lawsuit, as well as estimated costs related to an unrecoverable asset. The Company believes the outcome of any outstanding loss contingencies as of March 31, 2024 will not have a material adverse effect on its business, financial condition, results of operations, or cash flows.

Sales and Other State Non-Income Tax Liabilities

The Company's sales and other state non-income tax filings are subject to routine audits by authorities in the jurisdictions where it conducts business in the United States which may result in assessments of additional taxes. The Company accrues sales and other non-income tax liabilities based on the Company's best estimate of its probable liability utilizing currently available information and interpretation of relevant tax regulations. Given the nature of the Company's business, significant subjectivity exists as to both whether sales and other state non-income taxes can be assessed on its activity and how the sales tax will ultimately be measured by the relevant jurisdictions. The Company makes a determination for each reporting period whether the estimates for sales and other non-income taxes in certain states should be revised. The expense is included in selling, general and administrative expenses in the Company's condensed consolidated statements of operations and comprehensive income and the liability is reflected in sales tax payable within other current liabilities in its condensed consolidated balance sheets.

14. INCOME TAXES

For the three-month periods ended March 31, 2024 and 2023, the Company calculated the provision for income taxes by applying an annual effective tax rate to ordinary income for the interim reporting period. The Company's effective tax rate for the three months ended March 31, 2024 and 2023 was 27.0% and 26.6%, respectively, including the impact of discrete items. Excluding discrete items, the Company's effective tax rate for the three months ended March 31, 2024 and 2023 was 37.0% and 30.0%, respectively. The effective tax rates for the first quarter of 2024 and 2023 were primarily impacted by federal and state taxes. The increase in the effective tax rate was primarily related to a decrease in book income relative to nondeductible items.

As of March 31, 2024, the Company had approximately \$11.3 million of unrecognized tax benefits included in other non-current liabilities, \$10.7 million, net of deferred taxes, which would impact the effective tax rate if recognized. During the three months ended March 31, 2024, the Company had net increases of \$0.7 million to its current year unrecognized tax benefits related to federal and state tax provisions.

Effective January 1, 2024, many jurisdictions implemented the Pillar Two rules issued by the Organization for Economic Co-operation and Development. In general, large multinational entity groups with consolidated revenue in excess of 750 million Euros in at least two of the preceding four years could be subject to the new rules in jurisdictions with an effective tax rate below fifteen percent. We currently do not operate in any jurisdictions that have implemented the Pillar Two rules, but jurisdictions may adopt retroactively to January 1, 2024. We do not expect the adoption of the Pillar Two rules by any jurisdiction in which we currently operate to have a material impact on our financial statements.

The tax years 2012 through 2023 remain open to examination by certain taxing jurisdictions to which the Company is subject to tax.

15. RELATED PARTY TRANSACTIONS

The Company has entered into an arrangement for digital marketing services provided by a firm that is related to Mr. Kevin C. Clark, the Company's non-executive Chairman of the Board of Directors since April 1, 2022, and the Company's Co-Founder & Chief Executive Officer through March 31, 2022. Mr. Clark is a minority shareholder in the firm's parent company and is a member of the parent company's Board of Directors. Management believes the terms of the arrangement are equivalent to those prevailing in an arm's-length transaction and have been approved by the Company through its related party process. The digital marketing firm manages a limited number of digital publishers covering various Company brands for a monthly management fee. During the three months ended March 31, 2024 and 2023, the Company incurred an immaterial amount in expenses and had an immaterial payable balance at March 31, 2024 and December 31, 2023.

The Company provides services to entities which are affiliated with certain members of the Company's Board of Directors. Management believes the services were conducted on terms equivalent to those prevailing in an arm's-length transaction. Revenue related to these transactions was immaterial for the three months ended March 31, 2024 and 2023. Accounts receivable due from these entities was an immaterial amount at March 31, 2024 and December 31, 2023.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The purpose of the following Management's Discussion and Analysis (MD&A) is to help facilitate the understanding of significant factors influencing the quarterly operating results, financial condition, and cash flows of the Company. Additionally, MD&A also conveys our current expectations of the potential impact of known trends, events, or uncertainties that may impact future results. MD&A is provided as a supplement to, and should be read in conjunction with, our Annual Report on Form 10-K for the year ended December 31, 2023 (2023 Form 10-K) (including Part I, Item 1A. "Risk Factors"), our financial statements and the accompanying notes to our financial statements.

In addition to clinical roles such as school nurses, speech language, and behavioral therapists, we place non-clinical professionals such as teachers, substitute teachers, and other education specialties at educational facilities across the nation. Our diverse customer base includes both public and private acute care and non-acute care hospitals, outpatient clinics, ambulatory care facilities, single- and multi-specialty physician practices, rehabilitation facilities, Program of All-Inclusive Care for the Elderly (PACE) programs, urgent care centers, local and national healthcare systems, managed care providers, public and charter schools, correctional facilities, government facilities, pharmacies, and many other healthcare providers. Through our national staffing teams, we offer our workforce solutions and place clinicians on travel and per diem assignments, local short-term contracts, and permanent positions. In addition, we continually evaluate opportunities to acquire companies that would complement or enhance our business, like WSG and Mint.

Our workforce solutions include managed service programs (MSPs), vendor management systems (VMS), in-home care services, education health services, recruitment process outsourcing (RPO), project management, and other outsourcing and consultative services as described in Item 1. "Business" in our 2023 Form 10-K. By utilizing the solutions that we offer, customers are able to better plan their personnel needs, optimize their talent acquisition and management processes, strategically flex and balance their workforce, have access to quality healthcare personnel, and provide continuity of care for improved patient outcomes. We have a history of investing in diversity, equality, and inclusion as a key component of the organization's overall corporate social responsibility program, which we believe is closely aligned with our core values to create a better future for our people, communities, and our stockholders.

The Company's two reportable segments offer services to its customers as described below:

- *Nurse and Allied Staffing* – Nurse and Allied Staffing represented approximately 88% of total revenue in the first quarter of 2024. The Nurse and Allied Staffing segment provides workforce solutions and traditional staffing, including temporary and permanent placement of travel nurses and allied professionals, as well as per diem and contract nurses and allied personnel. We also provide clinical and non-clinical professionals on short-term and long-term assignments to customers such as local and national healthcare plans, managed care providers, public and charter schools, correctional facilities, skilled nursing facilities, and other non-acute settings. In addition, Nurse and Allied Staffing provides executive search services for healthcare professionals, as well as contingent search and recruitment process outsourcing services. We provide flexible workforce solutions to our healthcare customers through diversified offerings designed to meet their unique needs, including MSP, RPO, and consulting services. We also offer our SaaS-based, proprietary, vendor management technology, Intellify[®] to facilities to manage all or a portion of their agency services.
- *Physician Staffing* – Physician Staffing represented approximately 12% of total revenue in the first quarter of 2024. Physician Staffing provides physicians in many specialties, as well as certified registered nurse anesthetists, nurse practitioners, and physician assistants as independent contractors on temporary assignments throughout the United States.

Summary of Operations

For the quarter ended March 31, 2024, revenue from services decreased 39% year-over-year to \$379.2 million, due to a decrease in demand and average bill rates within the Nurse and Allied Staffing segment, primarily in travel and local large acute settings. The Physician Staffing segment experienced year-over-year double-digit revenue growth due to price and volume increases. Net income attributable to common stockholders in the first quarter of 2024 was \$2.7 million, as compared to \$29.4 million for the same period in the prior year.

For the three months ended March 31, 2024, cash and cash equivalents totaled \$5.2 million, with no debt outstanding. Cash flow provided by operating activities was \$6.0 million, with a decrease in working capital stemming from a decrease in net receivables, partially offset by the timing of disbursements. As of March 31, 2024, there were no borrowings drawn under the revolving senior-secured asset-based credit facility (ABL), and borrowing base availability was \$200.1 million, with \$186.3 million of availability net of \$13.8 million of letters of credit.

We will continue to remain responsive to the current market conditions while also ensuring that we maintain a solid foundation for growth once demand inflects. That includes ongoing strategic tech investments that further enhance our competitive positioning, and expanding our existing customer relationships.

See Results of Operations, Segment Results, and Liquidity and Capital Resources sections that follow for further information.

Operating Metrics

We evaluate our financial condition by tracking operating metrics and financial results specific to each of our segments. Key operating metrics include hours worked, days filled, number of contract personnel on a full-time equivalent (FTE) basis, revenue per FTE, and revenue per day filled. Other operating metrics include number of open orders, candidate applications, contract bookings, length of assignment, bill and pay rates, renewal and fill rates, number of active searches, and number of placements. These operating metrics are representative of trends that assist management in evaluating business performance. Due to the timing of our business process and other factors, certain of these operating metrics may not necessarily correlate to the reported U.S. GAAP results for the periods presented. Some of the segment financial results analyzed include revenue, operating expenses, and contribution income. In addition, we monitor cash flow, as well as operating and leverage ratios, to help us assess our liquidity needs.

Business Segment	Business Measurement
Nurse and Allied Staffing	FTEs represent the average number of Nurse and Allied Staffing contract personnel on a full-time equivalent basis. Average revenue per FTE per day is calculated by dividing the Nurse and Allied Staffing revenue, excluding permanent placement, per FTE by the number of days worked in the respective periods.
Physician Staffing	Days filled is calculated by dividing the total hours invoiced during the period, including an estimate for the impact of accrued revenue, by eight hours. Revenue per day filled is calculated by dividing revenue as reported by days filled for the period presented.

Working capital decreased by \$7.7 million to \$258.9 million as of March 31, 2024, as compared to \$266.6 million as of December 31, 2023, primarily due to a decrease in net receivables, partially offset by the timing of disbursements. As of March 31, 2024, our days' sales outstanding, net of amounts owed to subcontractors, was 74 days, up 4 days year-over-year and up 6 days sequentially, and excluding the impact from one MSP client, would have been 5 days less.

Operating cash flow constitutes our primary source of liquidity and, historically, has been sufficient to fund working capital, capital expenditures, internal business expansion, and debt service. This includes commitments, both short-term and long-term, of interest expense on our debt and operating lease commitments, and future principal payments on the ABL. We expect to meet our future cash needs from a combination of cash on hand, operating cash flows, and funds available through the ABL. See the debt discussion which follows.

In the third quarter of 2022, the Board of Directors authorized the Repurchase Program, whereby we may repurchase up to \$100.0 million shares of common stock, and during the fourth quarter of 2022, we entered into a Rule 10b5-1 Repurchase Plan

to allow for share repurchases during blackout periods, effective through November 2, 2023. In the second quarter of 2023, the Board of Directors authorized the replenishment of the amount available for stock repurchases under the Repurchase Program back to \$100.0 million, effective for trades made after May 3, 2023. In the third quarter of 2023, we entered into a new Rule 10b5-1 Repurchase Plan to allow for share repurchases during the Company's blackout periods, beginning on January 2, 2024. During the three months ended March 31, 2024, the Company repurchased a total of 310,235 shares of common stock for \$6.4 million, at an average price of \$20.51 per share. As of March 31, 2024, we had \$70.9 million remaining for share repurchase under the Repurchase Program, subject to certain conditions in our Loan Agreement.

Net cash used in investing activities was \$2.2 million for the three months ended March 31, 2024, as compared to \$3.5 million for the three months ended March 31, 2023. Net cash used in the three months ended March 31, 2024 was for capital expenditures. Net cash used in the three months ended March 31, 2023 was for capital expenditures and an immaterial amount related to the local business acquisition.

Net cash used in financing activities during the three months ended March 31, 2024 was \$15.7 million, as compared to \$46.7 million used in financing activities during the three months ended March 31, 2023. During the three months ended March 31, 2024, we used cash to pay \$2.7 million for income taxes on share-based compensation, \$6.4 million for share repurchases, and \$6.6 million for contingent consideration. Debt

2021 Term Loan Credit Agreement

On June 8, 2021, we entered into the Term Loan Agreement, which provided for a six-year second lien subordinated term loan in the amount of \$100.0 million (term loan). On November 18, 2021, we amended the Term Loan Agreement (Term Loan First Amendment), which provided the Company an incremental term loan in an aggregate amount equal to \$75.0 million. On April 14, 2023, we amended the Term Loan Agreement (Term Loan Second Amendment), which provided the option for all or a portion of the borrowings to bear interest at a rate based on the Secured Overnight Financing Rate (SOFR) or the Base Rate, at the election of the borrowers, plus an applicable margin. With respect to any SOFR loan, the rate per annum was equal to the Term SOFR (as defined in the Term Loan Second Amendment) for the interest period plus an adjustment of 10 basis points due to the credit spread associated with the transition to SOFR.

As more fully described in Note 8 - Debt to our condensed consolidated financial statements, on June 30, 2023, we repaid all outstanding obligations under the term loan, and terminated the Term Loan Agreement. As a result, debt issuance costs of \$1.7 million were written off in the second quarter of 2023 and are included as loss on early extinguishment of debt in the condensed consolidated statements of operations and comprehensive income. All subsidiary guarantees of the term loan were automatically released upon the termination of the Term Loan Agreement.

2019 Asset-Based Loan Agreement

Effective October 25, 2019, the prior senior credit facility entered into in August 2017 was replaced by a \$120.0 million asset-based loan agreement (Loan Agreement), which provided for a five-year senior secured revolving credit facility. On June 30, 2020, we amended the Loan Agreement (First Amendment), which increased the current aggregate committed size of the ABL from \$120.0 million to \$130.0 million. All other terms, conditions, covenants, and pricing of the Loan Agreement remained the same. On March 8, 2021, we amended the Loan Agreement (Second Amendment), which increased the current aggregate committed size of the ABL from \$130.0 million to \$150.0 million, increased certain borrowing base sub-limits, and decreased both the cash dominion event and financial reporting triggers. On June 8, 2021, we amended the Loan Agreement (Third Amendment), which permitted the incurrence of indebtedness and grant of security as set forth in the Loan Agreement and in accordance with the Intercreditor Agreement, and provides mechanics relating to a transition away from LIBOR as a benchmark interest rate to a replacement alternative benchmark rate or mechanism for loans made in U.S. dollars. On November 18, 2021, we amended the Loan Agreement (Fourth Amendment), whereby the permitted indebtedness (as defined in the Loan Agreement) was increased to \$175.0 million. On March 21, 2022, we amended the Loan Agreement (Fifth Amendment), which increased the current aggregate committed size of the ABL from \$150.0 million to \$300.0 million, extended the credit facility for an additional five years, increased certain borrowing base sub-limits, and provided the option for

all or a portion of the borrowings to bear interest at a rate based on SOFR or Base Rate, at the election of the borrowers, plus an applicable margin. On September 29, 2023, we amended the Loan Agreement (Sixth Amendment), which changed the minimum fixed charge coverage ratio from a maintenance covenant to a springing covenant based on excess availability. For the three months ended March 31, 2024, the excess availability did not fall below the stated threshold and, as a result, there was no covenant compliance period.

As of March 31, 2024, the interest rate spreads and fees under the Loan Agreement were based on SOFR plus 1.85% for the revolving portion of the borrowing base. The Base Rate (as defined by the Loan Agreement) margin would have been 0.75% for the revolving portion. The SOFR and Base Rate margins are subject to monthly adjustments, pursuant to a pricing matrix based on our excess availability under the revolving credit facility. In addition, the facility is subject to an unused line fee, letter of credit fees, and an administrative fee. Borrowing base availability under the ABL was \$200.1 million as of March 31, 2024, with no borrowings drawn and \$186.3 million of availability net of \$13.8 million of letters of credit.

See Note 8 - Debt to our condensed consolidated financial statements.

Critical Accounting Policies and Estimates

Our critical accounting policies and estimates remain consistent with those reported in our 2023 Form 10-K.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Interest Rate Risk

We are exposed to variable interest rate risk associated with our Loan Agreement entered into on October 25, 2019. This agreement charges interest at a rate based on either SOFR or Base Rate (as defined in the agreement) plus an applicable margin. Our Term Loan Agreement, entered into on June 8, 2021, was repaid and terminated on June 30, 2023.

A 1% change in interest rates would have resulted in interest expense fluctuating an immaterial amount for the three months ended March 31, 2024, and approximately \$0.4 million for the three months ended March 31, 2023. See Note 8 - Debt to our condensed consolidated financial statements.

Other Risks

There have been no material changes to our other exposures as disclosed in our 2023 Form 10-K.

ITEM 4. CONTROLS AND PROCEDURES

We carried out an evaluation, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our “disclosure controls and procedures” (as defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended, or the Exchange Act), as of the end of the period covered by this report. Based upon the evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective. Disclosure controls and procedures are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized, communicated to management, including the Chief Executive Officer and the Chief Financial Officer, and reported within the time periods specified in the SEC’s rules and forms. The disclosure controls and procedures are designed to ensure that information required to be disclosed by us in reports required under the Exchange Act is accumulated and communicated to our management, including the Chief Executive Officer and Chief Financial Officer, in order to allow timely decisions regarding any required disclosure.

There were no changes in our internal control over financial reporting as defined in Exchange Act Rules 13a-15(f) that occurred during our most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

AMENDED AND RESTATED BY-LAWS
OF
CROSS COUNTRY HEALTHCARE, INC.

1. MEETINGS OF STOCKHOLDERS.

1.1 Annual Meeting. The annual meeting of stockholders of the Corporation shall be held at such date, place and time as determined by the Board of Directors (the “Board”).

1.2 Place and Time of Meetings. Meetings of the stockholders may be held in or outside Delaware at the place and time specified by the Board. The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place but may instead be held solely by means of remote communication satisfying the applicable provisions of the Delaware General Corporation Law (or its successor statute as in effect from time to time).

1.3 Notice of Meetings; Waiver of Notice. Written notice of each meeting of stockholders shall be given to each stockholder entitled to vote at the meeting, except that (a) it shall not be necessary to give notice to any stockholder who submits a signed waiver of notice before or after the meeting, and (b) no notice of an adjourned meeting need be given, except when required by law. Unless otherwise required by law, each notice of a meeting shall be given, in the manner permitted by law, not fewer than 10 nor more than 60 days before the meeting and shall state the time and place of the meeting. The attendance of any stockholder at a meeting, without protesting at the beginning of the meeting that the meeting is not lawfully called or convened, shall constitute a waiver of notice by such stockholder.

1.4 Quorum. At any meeting of stockholders, the presence in person or by proxy of the holders of no less than a majority of the voting power of the outstanding shares entitled to vote shall constitute a quorum for the transaction of any business, unless or to the extent that the presence of a larger number may be required by law or by the rules of any stock exchange upon which the Corporation’s securities are listed. In the absence of a quorum, stockholders may adjourn the meeting by the affirmative vote of majority of the voting power present in person or by proxy. Any officer entitled to preside at or to act as secretary of the meeting may also adjourn the meeting until a quorum is present. At any adjourned meeting at which a quorum is present, any action may be taken that might have been taken at the meeting as originally called. No notice of an adjourned meeting need be given, if the time and place are announced at the meeting at which the adjournment is taken, except that, if adjournment is for more than 30 days or if, after the adjournment, a new record date is fixed for the meeting, notice of the adjourned meeting shall be given in the manner required by law.

1.5 Voting; Proxies. Unless otherwise required by the Certificate of Incorporation or in these By-Laws, each stockholder of record shall be entitled to one vote, in person or by proxy, for each share registered in such stockholder’s name. Corporate action to be taken by stockholder vote at a meeting, other than the election of directors, shall be authorized by the affirmative vote of a majority of the votes cast (affirmatively or negatively) at a meeting of

stockholders, except as otherwise required by law or the rules of any stock exchange upon which the Corporation's securities are listed. Directors shall be elected in the manner provided in Section 2.1. Voting need not be by ballot, unless ordered by the chairman of the meeting. Each stockholder entitled to vote at any meeting of stockholders or to express consent to or dissent from corporate action in writing without a meeting may authorize another person to act for such stockholder by proxy. No proxy shall be valid after three years from its date unless it provides otherwise.

1.6 List of Stockholders. Not fewer than 10 days prior to the date of any meeting of stockholders, the Corporation shall prepare a complete list of stockholders entitled to vote at the meeting; provided, however, that if the record date for determining the stockholders entitled to vote is less than 10 days before the meeting date, the list shall reflect the stockholders entitled to vote as of the 10th day before the meeting date, arranged in alphabetical order and showing the address of each stockholder and the number of shares registered in such stockholder's name. Nothing contained in this section shall require the Corporation to include electronic mail addresses or other electronic contact information on such list. For a period of not fewer than 10 days prior to the meeting, the list shall be available during ordinary business hours for inspection by any stockholder for any purpose germane to the meeting. During this period, the list shall be kept either (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation.

1.7 Action by Consent Without a Meeting. Any action required or permitted to be taken at any meeting of stockholders may be taken without a meeting and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not fewer than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice shall be given to those stockholders who did not consent in writing.

1.8 Record Date for Action by Written Consent. In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting (including by electronic transmission as permitted by law), the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which date shall not be more than 10 days after the date upon which the resolution fixing the record date is adopted by the Board. Any stockholder of record seeking to have the stockholders authorize or take corporate action by consent shall, by written notice to the Secretary, request the Board to fix a record date. The Board shall promptly, but in all events within 10 days after the date on which such a request is received, adopt a resolution fixing the record date (unless a record date has previously been fixed by the Board pursuant to the first sentence of this Section 1.8). If no record date has been fixed by the Board within 10 days of the date on which such a request is received, the record date for determining stockholders

entitled to consent to corporate action in writing without a meeting, when no prior action by the Board is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation in the manner required by law. If no record date has been fixed by the Board and prior action by the Board is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board adopts the resolution taking such prior action.

1.9 Advance Notice of Nominations and Business for Annual Meetings.

(A) Nominations of persons for election to the Board and the proposal of business to be transacted by the stockholders may be made at an annual meeting of stockholders (1) pursuant to the Corporation's proxy materials with respect to such meeting, (2) by or at the direction of the Board, or (3) by any stockholder of record of the Corporation (the "Record Stockholder") at the time of the giving of the notice required in the following paragraph, who is entitled to vote at the meeting and who has complied with the notice procedures set forth in this section. For the avoidance of doubt, the foregoing clause (3) shall be the exclusive means for a stockholder to make nominations or propose business (other than business included in the Corporation's proxy materials pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (such act, and the rules and regulations promulgated thereunder, the "Exchange Act")), at an annual meeting of stockholders.

(B) For nominations or business to be properly brought before an annual meeting by a Record Stockholder pursuant to clause (3) of the foregoing paragraph, (1) the Record Stockholder must have given timely notice thereof in writing to the Secretary, (2) any such business must be a proper matter for stockholder action under Delaware law and (3) the Record Stockholder and the Stockholder Associated Person (as defined in Section 1.9(B)(1) below), if any, on whose behalf any such proposal or nomination is made, must have acted in accordance with the representations set forth in the Solicitation Statement required by these By-Laws. To be timely, a Record Stockholder's notice shall be received by the Secretary at the principal executive offices of the Corporation not less than 90 or more than 120 days prior to the one-year anniversary of the preceding year's annual meeting of stockholders; provided, however, that, subject to the last sentence of this Section 1.9(B), if the meeting is convened more than 30 days prior to or delayed by more than 60 days after the anniversary of the preceding year's annual meeting, or if no annual meeting was held in the preceding year, notice by the Record Stockholder to be timely must be so received not later than the close of business on the later of (a) the 90th day before such annual meeting or (b) the 10th day following the day on which the public announcement of the date of such meeting is first made. In no event shall an adjournment, or postponement of an annual meeting for which notice has been given, commence a new period for the giving of a Record Stockholder's notice.

(1) For purposes of these By-Laws, a "Stockholder Associated Person" of any Record Stockholder shall mean (A) any person controlling, directly or indirectly, or acting in concert with, such Record Stockholder or any beneficial owner described in the immediately following clause (B); (B) any beneficial owner of any securities of the Corporation

owned of record or beneficially by such Record Stockholder and on whose behalf the proposal or nomination, as the case may be, is being made; or (C) any person controlling, controlled by or under common control with such person referred to in the preceding clauses (A) and (B).

(C) Such Record Stockholder's notice shall set forth:

(1) If such notice pertains to the nomination of directors, as to each person whom the Record Stockholder proposes to nominate for election or reelection as a director (each, a "Proposed Nominee") all information relating to such person as would be required to be disclosed in solicitations of proxies for the election of such nominees as directors pursuant to Regulation 14A under the Exchange Act, and such person's written consent to serve as a director if elected;

(2) As to any business that the Record Stockholder proposes to bring before the meeting, a brief description of such business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend these By-Laws, the text of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such Record Stockholder and any Stockholder Associated Person on whose behalf the proposal is made;

(3) As to (a) the Record Stockholder giving the notice and (b) any Stockholder Associated Person on whose behalf the nomination or proposal is made (each, a "party"):

(i) the name and address of each such party;

(ii) (A) the class, series, and number of shares of the Corporation that are owned, directly or indirectly, beneficially and of record by each such party; (B) any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Corporation or with a value derived in whole or in part from the value of any class or series of shares of the Corporation, whether or not such instrument or right shall be subject to settlement in the underlying class or series of capital stock of the Corporation or otherwise directly or indirectly owned beneficially by each such party, and any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Corporation (a "Derivative Instrument"); (C) any proxy, contract, arrangement, understanding, or relationship pursuant to which either party has a right to vote, directly or indirectly, any shares of any security of the Corporation, (D) any short interest in any security of the Corporation held by each such party (for purposes of this Section 1.9(C); a person shall be deemed to have a short interest in a security if such person directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has the opportunity to profit or share in any profit derived from any decrease in the value of the subject security); (E) any rights to dividends on the shares of the Corporation owned beneficially directly or indirectly by each such party that are separated or separable from the underlying shares of the Corporation; (F) any proportionate interest in shares of the Corporation or Derivative Instruments held, directly or indirectly, by a general or limited partnership in which either party is a general partner

or, directly or indirectly, beneficially owns an interest in a general partner; (G) any performance-related fees (other than an asset-based fee) that each such party is directly or indirectly entitled to based on any increase or decrease in the value of shares of the Corporation or Derivative Instruments, if any, as of the date of such notice, including without limitation any such interests held by members of each such party's immediate family sharing the same household; and (H) any ownership of or other position held by the Record Stockholder or any Proposed Nominee or Stockholder Associated Person in any option, warrant, convertible security, stock appreciate right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to the trading price of (x) any security of the Corporation, or (y) any security of any publicly traded competitor of the Corporation or of any other issuer that was listed in the peer group disclosed most recently in either the Corporation's proxy statement or in Part III of Form 10-K filed with the Securities and Exchange Commission (the "SEC") (which information set forth in this paragraph shall be supplemented by such stockholder or such Stockholder Associated Person, as the case may be, not later than 10 days after the record date for determining the stockholders entitled to vote at the meeting; provided that, if such date is after the date of the meeting, not later than the day prior to the meeting);

(iii) any other information relating to each such party that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or the election of directors in a contested election pursuant to Section 14 of the Exchange Act; and

(iv) a statement whether or not each such party will deliver a proxy statement and form of proxy to holders of, in the case of a proposal, at least the percentage of voting power of all of the shares of capital stock of the Corporation required under applicable law to carry the proposal or, in the case of a nomination or nominations, at least the percentage of voting power of all of the shares of capital stock of the Corporation reasonably believed by the Record Stockholder or beneficial holder, as the case may be, to be sufficient to elect the Proposed Nominees (such statement, a "Solicitation Statement");

(4) A description of the manner in which each Record Stockholder and any Stockholder Associated Person will conduct any solicitation (within the meaning of Rule 14a-1(l) under the Exchange Act) with respect to the nomination, including the name of each participant (as defined in Item 4 of Schedule 14A (or any successor provision) under the Exchange Act) in such solicitation, and an undertaking to conduct such solicitation in accordance with the applicable requirements of Regulation 14A under the Exchange Act and in connection therewith to deliver to holders of shares representing at least 67% of the voting power of the stock entitled to vote generally in the election of directors, at least 20 calendar days before the annual meeting, a physical copy of a definitive proxy statement for the solicitation of proxies for the Record Stockholder's Proposed Nominees (the "Proxy Statement Delivery Requirement");

(5) A description of the investment strategy or objective, if any, of the Record Stockholder and each Stockholder Associated Person that is not an individual and a copy of each prospectus, offering memorandum, marketing or similar document, and each presentation, report or other document that describes the performance, personnel or investment

thesis of the Record Stockholder or any such Stockholder Associated Person or any plans or proposals of the Record stockholder or any such Stockholder Associated Person with respect to the Corporation;

(6) A certification that the Proposed Nominee will provide facts, statements and other information in all communications with the Corporation that are or will be true and correct in all material respects and that do not and will not omit to state a fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading;

(7) An undertaking by the Record Stockholder to appear in person or by proxy at the annual meeting to nominate any Proposed Nominee or bring such business before the meeting, as applicable, and an acknowledgment that if the Record Stockholder does not so appear in person or by proxy at the meeting to nominate any such Proposed Nominees or bring such business before the meeting, as applicable, the Corporation need not bring such Proposed Nominee or such business for a vote at such meeting and any proxies or votes cast in favor of the election of such Proposed Nominee or of any proposal related to such other business need not be counted or considered;

(8) An undertaking by the Record Stockholder to notify the Corporation as promptly as practicable of any determination by the Record Stockholder to no longer solicit proxies for the election of any Proposed Nominee as a director at the annual meeting;

(9) A certification regarding whether the Record Stockholder, any Proposed Nominee and Stockholder Associated Person has complied with all applicable federal, state and other legal requirements in connection with such person's acquisition of capital stock or other securities of the Corporation and such person's acts or omissions as a stockholder of the Corporation, if such person is or has been a stockholder of the Corporation; and

(10) A representation that the Proposed Nominee will tender his or her resignation as a director of the Corporation if the Board determines that such Proposed Nominee fails to comply with the provisions of this Section 1.9(C), provides such Proposed Nominee notice of any such determination and, if such noncompliance may be cured, such Proposed Nominee fails to cure such noncompliance within 10 business days after delivery of such notice to such Proposed Nominee.

(D) A person shall not be eligible for election or reelection as a director at a meeting unless (1) the person is nominated by a Record Stockholder in accordance with Section 1.9(A)(3) or (2) the person is nominated by or at the direction of the Board. To be eligible to be a nominee for election or reelection as a director of the Corporation, a person must deliver to the Secretary at the principal executive offices of the Corporation the following information:

(1) A written representation and agreement, which shall be signed by such person and pursuant to which such person shall represent and agree that such person

(i) consents to serving as a director if elected and currently intends to serve as a director for the full term for which such person is standing for election; (ii) is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity: (A) as to how the person, if elected as a director, will act or vote on any issue or question that has not been disclosed to the Corporation; or (B) that could limit or interfere with the person's ability to comply, if elected as director, with such person's fiduciary duties under applicable law; (iii) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director or nominee that has not been disclosed to the Corporation; and (iv) if elected as a director, will comply with all of the Corporation's corporate governance, conflict of interest, confidentiality, and stock ownership and trading policies and guidelines, and any other Corporation policies and guidelines applicable to directors (which will be provided to such person promptly following a request therefor);

(2) All fully completed and signed questionnaires required of the Corporation's directors, which in the case of a Proposed Nominee, shall be included with the notice of nomination delivered to the Corporation in accordance with Section 1.9(C) (such forms of questionnaires shall be provided by the Corporation, within 10 business days after receipt of a written request therefor from the Record Stockholder, to such Record Stockholder); and

(3) A nominee for election or reelection as a director of the Corporation shall also provide to the Corporation such other information as the Corporation may reasonably request. Notwithstanding any other provision of these By-Laws, if a stockholder has submitted notice of an intent to nominate a candidate for election or reelection as a director pursuant to Section 1.9(B), the additional information required by this Section 1.9(D) shall be considered timely if provided to the Corporation promptly upon request by the Corporation, but in any event within five business days after such request, and all information provided pursuant to this Section 1.9(D) shall be deemed part of the stockholder's notice submitted pursuant to Section 1.9(B).

(E) The Board may reasonably require any Proposed Nominee to submit to one or more interviews with the Board or any committee thereof, and such Proposed Nominee shall make himself or herself available for any such interviews within 10 days following a request therefor from the Board or any committee thereof.

(F) Only such business shall be conducted at an annual meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this section. The chairman of the meeting shall have the power and the duty to determine whether a nomination or any business proposed to be brought before the meeting has been made in accordance with the procedures set forth in these By-Laws and, if any proposed nomination or business is not in compliance with these By-Laws, to declare that such defectively proposed business or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(G) For purposes of these By-Laws, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the SEC pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(H) Notwithstanding the foregoing provisions of this Section 1.9, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to matters set forth in this Section 1.9. Nothing in this Section 1.9 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act.

1.10 Special Meetings.

(A) Special meetings of the stockholders may be called by the affirmative vote of a majority of the entire Board or by the Chairman and shall be called by the Secretary upon the written request of the holders of at least 20% (the “Requisite Percent”) of the outstanding shares entitled to vote, provided that a special meeting called at the request of one or more stockholders (a “Stockholder Requested Special Meeting”) shall be called by the Secretary only if each of the stockholder(s) requesting such meeting is a stockholder of record at the time of the request, is entitled to vote at the special meeting and complies with the notice procedures set forth in this section.

(B) In order for a Stockholder Requested Special Meeting to be called by the Secretary, one or more written requests for a special meeting (individually or collectively, a “Special Meeting Request”) signed and dated by stockholders of record that own the Requisite Percent of outstanding stock of the Corporation, must be delivered to the Secretary at the principal executive offices of the Corporation and must be accompanied by:

(1) In the case of any Stockholder Requested Special Meetings at which director nominations are proposed to be presented, the information required by Sections 1.9(C)(1) and 1.9(D);

(2) In the case of any Stockholder Requested Special Meetings at which any business other than director nominations is proposed to be presented, the information required by Section 1.9(C)(2); and

(3) As to (a) each stockholder of record of the Corporation signing such request and (b) any Stockholder Associated Person on whose behalf the Stockholder Special Meeting Request is made, the information required by Section 1.9(C)(3).

(C) One or more written requests for a special meeting delivered to the Secretary shall constitute a valid Special Meeting Request only if such written request satisfies the requirements set forth above and has been dated and delivered to the Secretary within 60 days of the earliest valid, dated request. The determination of the validity of a Special Meeting Request shall be made in good faith by the Board of Directors, which determination shall be conclusive and binding on the Corporation and the stockholders, and the date of such

determination is referred to herein as the “Request Receipt Date.” A Special Meeting Request shall not be valid if (1) such request relates to an item of business that is not a matter on which stockholders are authorized to act under, or that involves a violation of, applicable law, (2) such request relates to an item of business that is the same or substantially similar to any item of business that was voted on at a meeting of stockholders occurring within 90 days preceding the earliest dated request for a special meeting, (3) such request does not comply with the requirements of the By-Laws, or (4) such request is received during the period commencing 90 days prior to the first anniversary of the date of the most recent annual meeting of stockholders and ending on the date of the next annual meeting of stockholders.

(D) A stockholder may revoke a Special Meeting Request by delivering a written revocation to the Secretary at any time prior to the Stockholder Requested Special Meeting, but if as a result of such revocation(s), there no longer are unrevoked requests from the Requisite Percent to call a Stockholder Requested Special Meeting, the Board shall have the discretion to determine whether or not to proceed with the Stockholder Requested Special Meeting.

(E) Business and nominations to be transacted at a Stockholder Requested Special Meeting shall be limited to (1) the business stated in the valid Special Meeting Request(s) received from the Requisite Percent of stockholders and (2) any additional business that the Board of directors determines to include in the Corporation’s notice of meeting. In addition to the other requirements set forth in these By-Laws, for nominations and business to be properly brought before a special meeting, the record stockholder and beneficial owner, if any, on whose behalf such proposal or nomination is made, must have acted in accordance with the representations set forth in the Solicitation Statement required by these By-Laws. If none of the stockholders who submitted Special Meeting Request(s) (or their qualified representatives) appears at the Stockholder Requested Special Meeting to present the matter or matters to be brought before the special meeting that were specified in the Special Meeting Request(s), the Corporation need not present the matter or matters for a vote at the meeting, notwithstanding that proxies in respect of such vote may have been received by the Corporation.

(F) Any special meeting of stockholders shall be held at such date and time as may be fixed by the Board in accordance with these By-Laws and Section 213 of the Delaware General Corporation Law (the “DGCL”); provided, however, that a Stockholder Requested Special Meeting shall be called for a date not later than the date that is (1) 90 days after the Request Receipt Date, or (2) 50 days after the date the Corporation files definitive soliciting materials with respect to such meeting pursuant to Schedule 14A under the Exchange Act, whichever is latest.

(G) Only such business shall be conducted at a special meeting of stockholders as shall have been included in the notice of the meeting, which shall describe the purpose for which the meeting is called. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected (1) by or at the direction of the Board, and (2) in the case of a special meeting other than a Stockholder Requested Special Meeting, or in the case of a special meeting that is a Stockholder Requested Special Meeting if

the stockholder wishing to make such nomination did not deliver a Stockholder Meeting Request with respect to such meeting, by such stockholder of record at the time of giving of notice provided for in this paragraph, who shall be entitled to vote at the meeting and who delivers a written notice to the Secretary setting forth the information set forth in Sections 1.9 and 1.10 above. Nominations by stockholders of persons for election to the Board may be made at such special meeting of stockholders only if such stockholder of record's notice required by the preceding sentence shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees otherwise proposed to be elected at such meeting. In no event shall an adjournment, or postponement of a special meeting for which notice has been given, commence a new period for the giving of a stockholder of record's notice. A person shall not be eligible for election or reelection as a director at a special meeting unless the person is nominated (i) by or at the direction of the Board or (ii) by a stockholder of record in accordance with the notice procedures set forth in this Section 1.10.

(H) Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this section. The chairman of the meeting shall have the power and the duty to determine whether a nomination or any business proposed to be brought before the meeting has been made in accordance with the procedures set forth in these By-Laws and, if any proposed nomination or business is not in compliance with these By-Laws, to declare that such defectively proposed business or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(I) Notwithstanding the foregoing provisions of this Section 1.10, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to matters set forth in this Section 1.10. Nothing in this Section 1.10 shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

1.11 Organization. Such person as the Board may have designated or, in the absence of such a person, the Chairman of the Board or, in his or her absence, the President or, in his or her absence, such person as may be chosen by the holders of a majority of the voting power of the shares entitled to vote who are present, in person or by proxy, shall call to order any meeting of the stockholders and act as chairman of the meeting. In the absence of the Secretary, the secretary of the meeting shall be such person as the chairman of the meeting appoints.

2. BOARD OF DIRECTORS.

2.1 Number, Qualification, Election and Term of Directors. The business of the Corporation shall be managed by the entire Board, which shall consist of such number of directors as shall be determined from time to time by the affirmative vote of a majority of the entire Board. A nominee for director shall be elected (a) where there is an uncontested election, if the votes cast for nominee's election exceed the votes cast against such nominee's election, with any incumbent director who fails to receive such a majority vote obligated to tender his or

her resignation, and the Board obligated to decide and state publicly within 90 days whether it has accepted that resignation and the reasons for that decision and (b) where there is a contested election, by a plurality of the votes cast with respect to that director. For purposes of these By-Laws, there shall be a “contested election” where the Secretary receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees for director set forth in these By-Laws and such nomination has not been withdrawn by such stockholder on or before the 10th day before the Corporation first mails its notice of meeting for such meeting to the stockholders. Each director elected shall hold office until the next annual meeting of stockholders and until the election and qualification of their respective successors, subject to the provisions of Section 2.9 of these By-Laws. As used in these By-Laws, the term “entire Board” means the total number of authorized directors the Corporation would have if there were no vacancies on the Board.

2.2 Quorum and Manner of Acting. A majority of the entire Board shall constitute a quorum for the transaction of business at any meeting. Action of the Board shall be authorized by the affirmative vote of the majority of the directors present at the meeting, if there is a quorum, unless otherwise required by law, by the Certificate of Incorporation, or by these By-Laws. To the fullest extent permitted by law, in the absence of a quorum, a majority of the directors present may adjourn any meeting from time to time until a quorum is present, without further notice or waiver of notice.

2.3 Place of Meetings. Meetings of the Board may be held in or outside Delaware as determined by the Board from time to time.

2.4 Annual and Regular Meetings. Annual meetings of the Board, for the election of officers and consideration of other matters, shall be held either (a) without notice immediately after the annual meeting of stockholders and at the same place, or (b) as soon as practicable after the annual meeting of stockholders, on notice as provided in Section 2.6. Regular meetings of the Board may be held without notice at such times and places as the Board determines. If the day fixed for a regular meeting is a legal holiday, the meeting shall be held on the next business day.

2.5 Special Meetings. Special meetings of the Board may be called by the Chairman, the Chief Executive Officer or by any two directors of the Board.

2.6 Notice of Meetings; Waiver of Notice. Notice of the time, date and place of each special meeting of the Board, and of each annual meeting not held immediately after the annual meeting of stockholders and at the same place, shall be given to each director by whom it is not waived by mailing written notice to such director at his or her residence or usual place of business at least three days before the meeting, or by delivering notice by facsimile or other electronic transmission or by telephone at least two days before the meeting. Notice need not be given to any director who submits a waiver of notice before or after the meeting or who attends the meeting without protesting at the beginning of the meeting the transaction of any business because the meeting was not lawfully called or convened. To the fullest extent permitted by law, notice of any adjourned meeting need not be given, other than by announcement at the meeting at which the adjournment is taken.

2.7 Board or Committee Action Without a Meeting. Any action required or permitted to be taken by the Board or by any committee of the Board may be taken without a meeting, if all the members of the Board or the committee consent in writing or by electronic transmission to the adoption of a resolution authorizing the action. The resolution and the consents by the members of the Board or the committee shall be filed with the minutes of the proceedings of the Board or the committee.

2.8 Participation in Board or Committee Meetings by Conference Telephone. Any or all members of the Board or any committee of the Board may participate in a meeting of the Board or the committee by means of a conference telephone or other communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at the meeting.

2.9 Resignation and Removal of Directors. Any director may resign at any time by delivering his or her resignation, in writing or by electronic transmission, to the Chairman, President or Secretary, to take effect at the time specified in the resignation; the acceptance of a resignation, unless required by its terms, shall not be necessary to make it effective. Any or all of the directors may be removed at any time, either with or without cause, by vote of the stockholders.

2.10 Vacancies and Newly Created Directorships. Subject to the rights of the holders of any series of preferred stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board resulting from death, resignation, disqualification, removal from office or other cause shall, unless otherwise required by law or by resolution of the Board, be filled only by a majority vote of the directors then in office, though less than a quorum (and not by stockholders), and directors so chosen shall serve for a term expiring at the annual meeting of stockholders at which the term of office of the class to which they have been chosen expires or until such director's successor shall have been duly elected and qualified. No decrease in the authorized number of directors shall shorten the term of any incumbent director.

2.11 Compensation. Directors shall receive such compensation as the Board determines, together with reimbursement of their reasonable expenses in connection with the performance of their duties. A director also may be paid for serving the Corporation or its affiliates or subsidiaries in other capacities.

3. COMMITTEES.

3.1 Executive Committee. The Board, by resolution adopted by the affirmative vote of a majority of the entire Board, may designate an executive committee of one or more directors, which shall have all the powers and authority of the Board, except as otherwise provided in the resolution, Section 141(c) of the DGCL or any other applicable law. The members of the executive committee shall serve at the pleasure of the Board.

3.2 Other Committees. The Board, by resolution adopted by the affirmative vote of a majority of the entire Board, may designate other committees of one or more directors,

which, unless the Board's resolution establishing the committee provides otherwise, shall serve at the Board's pleasure and have such powers and duties as the Board determines.

3.3 Rules Applicable to Committees. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In case of the absence or disqualification of any member of a committee, the member or members present at a meeting of the committee and not disqualified, whether or not a quorum, may unanimously appoint another director to act at the meeting in place of the absent or disqualified member. Each committee shall adopt rules of procedure and shall meet as provided by those rules or by resolutions of the Board.

He or she may do and perform all acts on behalf of the Corporation and shall have such powers and perform such duties as the Board may from time to time prescribe or

6.4 Non-Exclusivity of Rights. The right to indemnification and the advancement of expenses conferred in this Section 6 shall not be exclusive of any other right any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, By-Law, agreement, vote of stockholders or disinterested directors or by written policy.

6.5 Insurance. The Corporation shall maintain insurance, at its expense, to protect itself and any director, officer or employee of the Corporation or another corporation, partnership, joint venture, trust or other enterprise pursuant to which such person was serving at the request of the Corporation against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against that expense, liability or loss under Delaware law.

6.6 Expenses as a Witness. To the extent that any director or officer is by reason of such position, or a position with another entity at the request of the Corporation, a witness in any proceeding, such person shall be indemnified against all costs and expenses actually and reasonably incurred by such person or on such person's behalf in connection therewith.

6.7 Indemnity Agreements. The Corporation may enter into agreements with any director or officer of the Corporation providing for indemnification and advancement to the fullest extent permitted by Delaware law.

- The California Consumer Credit Reporting Agencies Act – Cal. Civ. Code § 1785 et seq.
- California Investigative Consumer Reporting Agencies Act – Cal. Civ. Code § 1786 et seq.;
- Those provisions of the California Labor Code that lawfully may be released;
- Any other federal, state or local civil or human rights law or any other federal, state or local law, regulation or ordinance;
- Any public policy, contract, tort or common law; or
- Any basis for recovering costs, fees or other expenses including attorneys' fees incurred in these matters.

(b) **Claims Not Released.** Employee is not waiving any rights Employee may have to: (i) Employee's own vested accrued employee benefits under Employer's health, welfare, or retirement benefit plans as of the Separation Date; (ii) benefits or rights to seek benefits under applicable workers' compensation (except as to claims under Labor Code sections 132a and 4553) or unemployment insurance or indemnification statutes; (iii) pursue claims which by law cannot be waived by signing this Separation Agreement; (iv) enforce this Separation Agreement; or (v) challenge the validity of this Separation Agreement.

(c) **Government Agencies.** Nothing in this Separation Agreement prohibits, prevents, or otherwise limits Employee from filing a charge or complaint with or participating, testifying, or assisting in any investigation, hearing, or other proceeding before any federal, state, or local government agency (*e.g.*, EEOC, NLRB, SEC CRD, DLSE,) or in any legislative or judicial proceeding nor does anything in this Separation Agreement preclude, prohibit, or otherwise limit, in any way, Employee's rights and abilities to contact, communicate with, or report unlawful conduct, or provide documents, to federal, state, or local officials for investigation or participate in any whistleblower program administered by any such agencies. In addition, nothing in this Separation Agreement, including, but not limited to, the release of claims nor the acknowledgements and affirmations, limited disclosure, and return of company property clauses, prohibits Employee from: (1) reporting possible violations of federal or other law or regulations, including any possible securities laws violations, to any governmental agency or entity, including but not limited to the U.S. Department of Justice, the U.S. Securities and Exchange Commission, the Commodity Futures Trading Commission, the U.S. Congress, or any

agency Inspector General; (2) making any other disclosures that are protected under the whistleblower provisions of federal or other law or regulations; or (3) filing a charge or complaint or otherwise fully participating in any governmental whistleblower programs, including but not limited to any such programs managed or administered by the U.S. Securities and Exchange Commission, the Commodity Futures Trading Commission or the Occupational Safety and Health Administration. Employee is not required to notify or obtain permission from Employer when filing a governmental whistleblower charge or complaint or engaging or participating in protected whistleblower activity. Moreover, nothing in this Separation Agreement prohibits or prevents Employee from receiving individual monetary awards or other individual relief by virtue of participating in such governmental whistleblower programs.

(d) **Collective/Class Action Waiver.** If any claim is not subject to release, to the extent permitted by law, Employee waives any right or ability to be a class or collective action representative or to otherwise participate in any putative or certified class, collective, or multi-party action or proceeding based on such a claim in which Employer, or any of the other Released Parties is a party.

6. **Waiver of California Civil Code section 1542.** To effect a full and complete general release as described above, Employee expressly waives and relinquishes all rights and benefits of section 1542 of the Civil Code of the State of California, and does so understanding and acknowledging the significance and consequence of specifically waiving section 1542. Section 1542 of the Civil Code of the State of California states as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Thus, notwithstanding the provisions of section 1542, and to implement a full and complete release and discharge of the Released Parties, Employee expressly acknowledges this Separation Agreement is intended to include in its effect, without limitation, all claims Employee does not know or suspect to exist in Employee's favor at the time of signing this Separation Agreement, and that this Separation Agreement contemplates the extinguishment of any such claims. Employee warrants Employee has read this Separation Agreement, including this waiver of California Civil Code section 1542, and that Employee has consulted with or had the opportunity to consult with counsel of Employee's choosing about this Separation Agreement and specifically about the waiver of section 1542, and that Employee understands this Separation Agreement and the section 1542 waiver, and so Employee freely and knowingly enters into this Separation Agreement. Employee further acknowledges that Employee later may discover facts different from or in addition to those Employee now knows or believes to be true regarding the matters released or described in this Separation Agreement, and even so Employee agrees that the releases and agreements contained in this Separation Agreement shall remain effective in all respects notwithstanding any later discovery of any different or additional facts. Employee

expressly assumes any and all risk of any mistake in connection with the true facts involved in the matters, disputes, or controversies released or described in this Separation Agreement or with regard to any facts now unknown to Employee relating thereto.

7. **Acknowledgements and Affirmations.**

(a) Employee affirms that Employee has not filed or caused to be filed any claim, complaint, or action against any of the Released Parties in any forum or form, and that Employee presently is not a party to any claim, complaint, or action against any of the Released Parties in any forum or form. Nothing in this Separation Agreement or the acknowledgements and affirmations in this Section 7 is intended to impair Employee's rights under whistleblower laws or cause Employee to disclose Employee's participation in any governmental whistleblower program or any whistleblowing statute(s) or regulation(s) allowing for anonymity.

(b) Employee further affirms that Employee has been paid or has received all compensation, wages, bonuses, commissions, and benefits which are due and payable as of the date of execution of this Separation Agreement. Employee also affirms that Employee has submitted all expense reports in compliance with Employer's policies and procedures and been reimbursed for all expenses necessarily incurred by Employee in following Employer's directions or incurred in performing Employee's duties during Employee's employment with Employer.

(c) Employee further affirms that Employee has no known workplace injuries or occupational diseases, and that Employee has been granted or has not been denied any leave to which Employee was entitled under the Family and Medical Leave Act, the California Family Rights Act, or disability accommodation laws.

(d) Employee also affirms that Employee has not reported internally to Employer any allegations of wrongdoing by Employer or its officers, including, but not limited to, any allegations of corporate fraud, and Employee has not been retaliated against for reporting any such allegations internally to Employer.

(e) Employee also affirms that all of Employer's decisions regarding Employee's pay and benefits through the date of execution of this Separation Agreement were not discriminatory based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, mental or physical disability, medical condition, age, pregnancy, denial of medical and family care leave, pregnancy disability leave, or any other classification protected by law.

(f) Employee also affirms that Employee is not subject to any restrictive covenants that are prohibited by applicable Federal and State laws after Employee's Separation Date.

(g) Notably, per Paragraph 2.0 of the Employment Agreement, Employee will faithfully, industriously and to the best of Employee's ability, experience and

talent perform all duties that may be required of and from Employee through the Separation Date.

(h) Employee agrees to execute an Addendum on or after Employee's Separation Date to reaffirm the general release of claims in Section 5, to reaffirm the waiver of California Civil Code section 1542 in Section 6, and to reaffirm the acknowledgments in Section 7(b) of the Separation Agreement.

8. **Limited Disclosure.** Employee confirms that prior to the execution of this Separation Agreement, Employee has not revealed its financial terms to any third parties. Employee agrees not to disclose any information regarding the substance or terms of this Separation Agreement, except to Employee's spouse, tax advisor, an attorney with whom Employee chooses to consult regarding Employee's consideration of this Separation Agreement or to any federal, state, or local government agency. This confidentiality restriction shall not be construed to limit Employee's rights under the National Labor Relations Act.

9. **Return of Company Property/Information; Pre-Existing Agreements.**

(a) Within three (3) calendar days immediately following the Separation Date, Employee will return all of Employer's documents and property currently in Employee's possession including, but without limitation, any and all services work, notes, reports, files, memoranda, records, cardkey passes, door and file keys, safe combinations, laptop computer, monitors, computer-related equipment, computer access codes, disks and instructional or personnel manuals, and other physical or personal property that Employee received or prepared or helped to prepare in connection with Employee's employment with Employer ("Company Property").

(b) Employee acknowledges and agrees that in the course of Employee's employment with Employer, Employee has acquired: (i) confidential information including without limitation information received by Employer from third-parties, under confidential conditions; (ii) other technical, product, business, financial, or development information from Employer, the use or disclosure of which reasonably might be construed to be contrary to the interest of Employer; or (iii) any other proprietary information or data, including but not limited to customer lists and trade secrets, which Employee may have acquired during Employee's employment (hereafter collectively referred to as "Company Information"). Employee understands and agrees that such Company Information was disclosed to Employee in confidence and for use only by Employer.

(c) Employee affirms that Employee has not divulged any proprietary or confidential information of Employer to any third party as of Employee's execution of this Separation Agreement and has not misused any such proprietary or confidential information. Employee also understands and agrees that Employee: (i) will continue to keep such Company Information confidential at all times, (ii) will not disclose or communicate Company Information to any third-party, and (iii) will not make use of Company Information on Employee's own

behalf, or on behalf of any third-party. Under the federal Defend Trade Secrets Act of 2016, Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (a) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (b) is made to Employee's attorney in relation to a lawsuit against Employer for retaliation against Employee for reporting a suspected violation of law; or (c) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

(d) In view of the nature of Employee's employment and the nature of Company Information Employee received during the course of Employee's employment, Employee agrees that any unauthorized disclosure to third-parties of Company Information or other violation, or threatened violation, of this Separation Agreement would cause irreparable damage to the confidential or trade secret status of Company Information and to Employer, and that, therefore, Employer, and each person constituting Employer hereunder, shall be entitled to an injunction prohibiting Employee from any such disclosure, attempted disclosure, violation, or threatened violation.

(e) The Parties acknowledge and agree that the terms and conditions set forth in the "Arbitration Agreement - California" signed by Employee on April 5, 2022, and Paragraph 11.0 Confidential Information and Company Property of the "Employment Agreement" signed by Employee on April 5, 2022, shall in no way be altered, modified, enhanced, diminished, or amended by this Separation Agreement, and that the "Arbitration Agreement - California" and Paragraph 11.0 Confidential Information and Company Property of the "Employment Agreement" stand alone, operate individually, and shall be enforced separately without reference to or effect by the Separation Agreement.

(f) The undertakings set forth in this Section 9 shall survive the termination of this Separation Agreement or other arrangements contained in this Separation Agreement.

(g) Employee also affirms that Employee is in possession of all of Employee's property that Employee had at Employer's premises and that Employer is not in possession of any of Employee's property.

10. **Non-Admission of Wrongdoing.** The Parties agree that neither this Separation Agreement nor the furnishing of the consideration for this Separation Agreement shall be deemed or construed at any time for any purpose as an admission by the Released Parties of wrongdoing or evidence of any liability or unlawful conduct of any kind.

11. **Job References.** Employee shall direct all individuals inquiring about Employee's employment with Employer to Employer's Professional Employer Organization, Sterling, which will follow Employer's policy by responding with only Employee's last position and dates of employment, except that this provision shall not apply to any request from a

prospective employer who provides a release signed by Employee pursuant to the Fair Credit Reporting Act or any state counterpart.

12. **Consideration and Revocation Periods – Notice.**

(a) Employee acknowledges that Employee already has attained the age of forty (40) and understands that this is a full release of all existing claims whether currently known or unknown including, but not limited to, claims for age discrimination under the Age Discrimination in Employment Act.

(b) Employee further acknowledges that Employee has been advised to consult with an attorney of Employee's own choosing before signing this Separation Agreement, in which Employee waives important rights, including those under the Age Discrimination in Employment Act.

(c) By executing this Separation Agreement, Employee also acknowledges that Employee has been afforded up to twenty-one (21) calendar days to consider the meaning and effect of this Separation Agreement and to discuss the contents and meaning of this Separation Agreement, as well as the alternatives to signing this Separation Agreement, with an attorney of Employee's choosing, and has done so. Employee agrees that the twenty-one (21) day consideration period began on the date this Separation Agreement first was delivered to Employee and that if Employer changes any of the terms of the offer contained in this Separation Agreement (whether the changes are material or not), the twenty-one (21) day consideration period shall not be restarted but shall continue without interruption.

(d) Employee understands that the releases contained in this Separation Agreement do not extend to any rights or claims that Employee has under the Age Discrimination in Employment Act that first arise after execution of this Separation Agreement.

(e) If Employee signs this Separation Agreement before the twenty-one (21) day consideration period expires, the seven (7) day revocation period (described in Section 12(f) below) immediately shall begin. If Employee signs this Separation Agreement before the twenty-one (21) day consideration period expires, Employee agrees that Employee knowingly and voluntarily has accepted the shortening of the twenty-one (21) day consideration period and that Employer has not promised Employee anything or made any representations that are not contained in this Separation Agreement. In addition, if Employee signs this Separation Agreement before the twenty-one (21) day consideration period expires, Employee acknowledges and affirms that Employer has not threatened to withdraw or alter the offer contained in this Separation Agreement prior to the expiration of the twenty-one (21) day consideration period.

(f) Employee may revoke this Separation Agreement for a period of seven (7) calendar days following the date Employee executes this Separation Agreement. Any revocation during this period must be submitted in writing and state, "I hereby revoke my

acceptance of our Separation Agreement and General Release of All Claims.” The revocation must be done per one of the following two options (“Options”): (1) personally delivered to Colin McDonald, CHRO by 4:00 p.m. EST on the seventh day; or (2) emailed to Colin McDonald, CHRO, at CMcDonald@crosscountry.com by 4:00 p.m. EST on the seventh day and also mailed to Colin McDonald, CHRO, at 6551 Park of Commerce Blvd., Boca Raton, FL and postmarked within seven (7) calendar days after Employee’s execution of this Separation Agreement. The foregoing notwithstanding, this Separation Agreement shall not become effective and enforceable until the seven (7) day revocation period has expired per the Options described herein.

13. **Liens and Attorneys’ Fees/Indemnification.**

(a) Employee acknowledges that Employee solely is responsible for any liens made in connection with any services performed on Employee’s behalf by any attorney or other third-parties.

(b) Employee acknowledges and agrees that Employee will indemnify the Released Parties for any and all costs any of them incur as a result of any claims made by any attorneys or other third-parties to recover monies from the amounts payable to Employee under this Separation Agreement.

14. **Governing Law and Interpretation.**

(a) This Separation Agreement shall be governed and conformed in accordance with the laws of the State of California provided, however, that parol evidence shall not be admissible to alter, vary, or supplement the term of this Separation Agreement. Should any provision of this Separation Agreement be declared illegal or unenforceable by any court of competent jurisdiction and cannot be modified to be enforceable, excluding the general release language, such provision immediately shall become null and void, leaving the remainder of this Separation Agreement in full force and effect.

(b) In the event of a breach of any provision of this Separation Agreement, any Party may institute an action specifically to enforce any term or terms of this Separation Agreement or seek damages for breach. However, the Party instituting such an action must take steps to file this Separation Agreement or any documents setting forth the terms of this Separation Agreement with the court under seal. In an action to enforce any term or terms of this Separation Agreement or to seek damages for breach of this Separation Agreement, the prevailing party in that action shall be entitled to recover reasonable attorney’s fees.

15. **Amendment.** This Separation Agreement may not be modified, altered, or changed except in writing and signed by both Parties wherein specific reference is made to this Separation Agreement.

16. **Non-Disparagement.** Employee agrees to refrain from making statements that are maliciously disparaging or defamatory about the Company or the Released Parties,

including but not limited to, the CEO, CFO, General Counsel, CHRO, CMO, CIO, all other senior executive leaders and all members of the Company, TWO, or the Released Parties' customers, suppliers, or vendors, including but not limited to, communications on social media websites such as Facebook, Twitter, LinkedIn, or Glassdoor on blogs, by text or email or other electronic means. Nothing in this Agreement prevents Employee from discussing or disclosing information about unlawful acts in the workplace, such as harassment or discrimination or any other conduct that Employee has reason to believe is unlawful.

17. **Miscellaneous.**

(a) This Separation Agreement may be signed in counterparts, both of which shall be deemed an original, but both of which, taken together shall constitute the same instrument. A signature made on a faxed or electronically mailed copy of the Separation Agreement or a signature transmitted by facsimile or electronic mail shall have the same effect as the original signature.

(b) The section headings used in this Separation Agreement are intended solely for convenience of reference and shall not in any manner amplify, limit, modify, or otherwise be used in the interpretation of any of the provisions hereof.

(c) This Separation Agreement was the result of negotiations between the Parties. In the event of vagueness, ambiguity, or uncertainty, this Separation Agreement shall not be construed against the Party preparing it, but shall be construed as if both Parties prepared it jointly.

(d) If Employee or Employer fails to enforce this Separation Agreement or to insist on performance of any term, that failure does not mean a waiver of that term or of the Separation Agreement. The Separation Agreement remains in full force and effect anyway.

1. **Entire Agreement.** This Separation Agreement sets forth the entire agreement between the Parties, and fully supersedes any prior agreements or understandings between the Parties, except those specifically identified in Section 9(e), which are incorporated herein by reference. Employee acknowledges that Employee has not relied on any representations, promises, or agreements of any kind made to Employee in connection with Employee's decision to accept this Separation Agreement, except for those set forth in this Separation Agreement.

EMPLOYEE UNDERSTANDS AND ACKNOWLEDGES THAT EMPLOYEE HAS UP TO TWENTY-ONE (21) CALENDAR DAYS TO REVIEW THIS SEPARATION AGREEMENT PRIOR TO EXECUTION OF THIS SEPARATION AGREEMENT. EMPLOYEE FURTHER UNDERSTANDS AND ACKNOWLEDGES THAT ANY MODIFICATIONS, MATERIAL OR OTHERWISE, MADE TO THIS

SEPARATION AGREEMENT DO NOT RESTART OR AFFECT IN ANY MANNER THE ORIGINAL TWENTY-ONE (21) CALENDAR DAY CONSIDERATION PERIOD.

HAVING ELECTED TO EXECUTE THIS SEPARATION AGREEMENT, TO FULFILL THE PROMISES AND TO RECEIVE THE CONSIDERATION SET FORTH IN SECTION 2 ABOVE, EMPLOYEE FREELY AND KNOWINGLY, AND AFTER DUE CONSIDERATION, ENTERS INTO THIS SEPARATION AGREEMENT INTENDING TO WAIVE, SETTLE AND RELEASE ALL CLAIMS EMPLOYEE HAS OR MIGHT HAVE AGAINST THE RELEASED PARTIES AS OF THE DATE OF EXECUTION OF THIS SEPARATION AGREEMENT.
