This release contains forward-looking statements that are predictive in nature, that depend upon or refer to future events or conditions or that include words such as "expects", "anticipates", "intends", "plans", "believes", "estimates", "suggests" and similar expressions are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results and performance to be materially different from any future results or performance expressed or implied by these forward-looking statements. These factors include: our ability to attract and retain qualified nurses and other healthcare personnel, costs and availability of short-term apartment leases for our travel nurses, demand for the healthcare services we provide, both nationally and in the regions in which we operate, the functioning of our information systems, the effect of existing or future government regulation and federal and state legislative and enforcement initiatives on our business, our clients' ability to pay us for our services, our ability to successfully implement our acquisition and development strategies, including from time to time entering into Letters of Intent which may or may not result in the completion of an acquisition, the effect of liabilities and other claims asserted against us, the effect of competition in the markets we serve, our ability to successfully defend the Company, its subsidiaries, and its officers and directors on the merits of any lawsuit or determine its potential liability, if any, and other factors set forth under the caption "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2006, as well as in our Quarterly Report on Form 10-Q issued during 2007. Although we believe that these statements are based upon reasonable assumptions, we cannot guarantee future results. Given these uncertainties, the forward-looking statements discussed in this press release might not occur. While it is our intention to update guidance quarterly, it should not be assumed that our silence over time means that actual events are occurring as expressed or implied in such forward-looking statements.
